ARTICLE III

COVENANTS

Section 3.01. Accounts; Collections.

(a) Payment Account; Collection of Payments With Respect to the Mortgage Assets.

(i) On or prior to the Closing Date, the Issuer shall cause the Paying Agent to establish and maintain, in the name of the Indenture Trustee, for the benefit of the Noteholders, the Payment Account. The Paying Agent shall notify the Issuer prior to any change in the location of the Payment Account following the Closing Date. The Payment Account shall be a Securities Account. Any amounts on deposit in the Payment Account shall remain uninvested. The Paying Agent shall (i) act as Securities Intermediary with respect to the Payment Account, (ii) treat all items credited to the Payment Account as Financial Assets and (iii) treat the Indenture Trustee as sole entitlement holder. Except as set forth in Section 5.04 hereof, the only permitted withdrawal from or application of funds on deposit in, or otherwise standing to the credit of, the Payment Account shall be to make payments in accordance with Section 3.03 hereof. The Paying Agent agrees to give the Issuer prompt notice if the Payment Account or any funds on deposit therein, or otherwise standing to the credit of the Payment Account, shall become subject to any writ, order, judgment, warrant of attachment, execution or similar process. The Issuer shall not have any legal, equitable or beneficial interest in the Payment Account other than in accordance with Section 3.03 hereof.

(ii) The Paying Agent shall, subject to the terms of this paragraph, deposit in the Payment Account, on the same day as it is received from the Servicer, all collections with respect to the Mortgage Loans. On each Payment Date, the Paying Agent shall pay all amounts on deposit in the Payment Account in the order of priority set forth in Section 3.03 hereof (except as otherwise provided in Section 5.04(b)).

(iii) All monies deposited from time to time in the Payment Account pursuant to the Servicing Agreement and the deposits therein pursuant to this Indenture are for the benefit of the Noteholders.

(iv) In the event that the Payment Account shall fail to be an Eligible Account, the Paying Agent shall, within sixty (60) calendar days of such Person gaining actual knowledge of such failure, move the Payment Account to a depository institution that would allow the Payment Account to be an Eligible Account upon the effectiveness of such transfer.

(b) Reserve Account; Net WAC Shortfall Reserve Account.

(i) On or before the Closing Date, the Paying Agent will establish and maintain in the name of the Indenture Trustee, for the benefit of the Certificateholders and the Noteholders, the Reserve Account and the Net WAC Shortfall Reserve Account. Prior to the Payment Date occurring in February 2030 (the “Reserve Account Termination Date”), the Certificateholders and the Noteholders will have the benefit of the Reserve Account to pay amounts owing to the Notes. On the Closing Date, the Sponsor caused or will cause an amount equal to \$1,073,488.51 to be remitted to the Reserve Account out of proceeds from the sale of the Notes. Any amounts on deposit in either the Reserve Account or the Net WAC Shortfall Reserve Account shall remain uninvested. The Net WAC Shortfall Reserve Account shall bear a designation clearly indicating that the funds deposited therein (without regard to any income or gain resulting from the investment thereof, if any) are held for the benefit of the Holders of the WAC Cap Notes. The Reserve Account and amounts deposited or held therein shall be treated as a “qualified reserve fund” within the meaning of Section 860G(a)(7)(B) of the Code and shall be managed in a manner that maintains that status.

(ii) The Net WAC Shortfall Reserve Account shall be an Eligible Account and funds on deposit therein shall be held separate and apart from, and shall not be commingled with, any other moneys, including, without limitation, other moneys held by the Indenture Trustee pursuant to this Indenture. Amounts held in the Net WAC Shortfall Reserve Account may be distributed from the account in order to make payments on the Notes as provided herein or in the Indenture or to protect the funds from in the account from losses in the event of a downgrade in the credit rating of the institution where the Eligible Account is maintained or otherwise but shall not be distributed or moved for the purpose of increasing the return, if any, on the funds in the account. For purposes of the REMIC Provisions, the Net WAC Shortfall Reserve Account (i) shall be treated as an outside reserve fund within the meaning of Treasury regulation section 1.860G-2(h), and (ii) shall be treated as owned by the beneficial owner(s) of the Class XS Notes for U.S. federal income tax purposes. For U.S. federal income tax purposes, the amounts deposited into the Net WAC Shortfall Reserve Account shall be deemed to be paid to the holders of the Class XS Notes and then paid by the Holders of such Class XS Notes to the Net WAC Shortfall Reserve Account, which such amounts will then be available for payment in accordance with Section 3.03 hereof. The Paying Agent shall make withdrawals from the Net WAC Shortfall Reserve Account to make payments in respect of Net WAC Shortfalls to the extent required hereunder. For U.S. federal income tax purposes, the Paying Agent shall

not treat any payment made in respect of the Notional Principal Arrangement as made in respect of a REMIC Regular Interest, but shall treat such payment as a payment in respect of a notional principal contract in the nature of an interest rate cap contract for U.S. federal income tax purposes, and shall treat and report such arrangement as held by a fixed investment trust under Treasury Regulation 301.7701-4(c), all the income of which is taxable to the trust's beneficial owners under Section 671 of the Code and reported to the beneficial owners under the rules applicable to widely held fixed investment trusts. Each Holder and beneficial owner thereof of the Offered Notes, by acceptance of such Notes, agrees to such treatment and agrees to treat such Notes in the manner described for all U.S. federal income tax purposes. Thus, for U.S. federal income tax purposes, the WAC Cap Notes and the Class XS Notes shall be treated as representing not only ownership of a Regular Interest in the related Trust REMIC, but also an interest in a notional principal contract. By accepting a Class XS Note, each Holder of a Class XS Note hereby agrees to direct the Paying Agent, and the Paying Agent is hereby directed, to deposit an amount equal to any outstanding Net WAC Shortfalls for the WAC Cap Notes that would otherwise be payable, in the aggregate, to it as the holder of the Class XS Notes (in respect of REMIC II Regular Interest UT-XS), into the Net WAC Shortfall Reserve Account rather than paying such amounts to the Class XS Notes. By accepting a Class XS Note, each Holder of a Class XS Note further agrees that such direction is given for good and valuable consideration, the receipt and sufficiency of which is acknowledged by such acceptance. No such amount paid or deemed paid in respect of the Notional Principal Arrangement shall be paid in respect of a REMIC Regular Interest. The parties hereto agree that for U.S. federal tax or information return reporting purposes, the right of the holders of the WAC Cap Notes to receive payments in respect of Net WAC Shortfall shall be assigned a de minimis value as of the Closing Date.

(iii) To the extent the Servicer funds a Draw on a Mortgage Loan after the Closing Date, the Servicer will be entitled to reimburse itself for the amount of such Draw, prior to payments on the Notes, and the Class FR Certificates, from principal collections received in respect of the Mortgage Loans; *provided, that* to the extent such principal collections are insufficient to fully reimburse the Servicer for any such draws (any such draws for which principal collections are insufficient to fully reimburse the Servicer, a “Net Draw”), the Servicer will be entitled to reimbursement from amounts on deposit in the Reserve Account (including amounts deposited into the Reserve Account on behalf of the Class FR Certificateholder after the Closing Date) from the Paying Agent (in accordance with the terms of the Transaction Documents).

(iv) On each Payment Date, after giving effect to the application of funds to items *first through seventh* on such Payment Date described in Section 3.03(a) herein and/or items *first through seventh* on such Payment Date described in Section 3.03(b)(i) or (ii) herein, the Paying Agent will, based solely on the Payment Report, withdraw from the Reserve Account, to the extent of amounts on deposit therein, an amount equal to the aggregate Net Draws for which the Servicer has not yet been reimbursed, to reimburse the Servicer for such Net Draws. In the event amounts on deposit in the Reserve Account are insufficient to reimburse the Servicer for a Net Draw, and all or part of any Reserve Account Required Amount is not remitted on behalf of the Class FR Certificateholder on any Payment Date to permit such reimbursement, the Paying Agent will reimburse the

Servicer for the unreimbursed portion of Net Draws on future Payment Dates from amounts in the Reserve Account, subject to funds on deposit therein. In addition, in the event amounts on deposit in the Reserve Account are insufficient to reimburse the Servicer for a Net Draw, the Servicer will be permitted to use principal collections on the Mortgage Loans in subsequent Collection Periods to reimburse itself for such unreimbursed Net Draws (in which case the Certificate Balance of the Class FR Certificates will not be increased by the amount of such Net Draws).

(v) The Certificate Balance of the Class FR Certificates will be increased on each Payment Date by the amount of any Net Draws funded by amounts funded by the Class FR Certificateholder. Any amounts withdrawn from the Reserve Account shall be considered to be withdrawn on a 'first-in, first-out' (FIFO) basis.

(vi) On (a) the Payment Date on which an Optional Termination or an Optional Redemption is exercised or (b) the final Payment Date for the Notes, the Paying Agent will withdraw any amounts remaining on deposit in the Reserve Account (if any, and after reimbursement to the Servicer for all unreimbursed Net Draws and payment of the Notes in full as specifically directed in writing by the Servicer) and distribute such amounts as a component of the Interest Remittance Amount on the related Payment Date.

(c) Additional Servicing Fee Amounts. The Servicer will be entitled to any Additional Servicing Fee Amount for the related Collection Period, and Available Funds for that Payment Date will be reduced by such Additional Servicing Fee Amount.

Section 3.02. Existence. 860G(a)(7) of the Code and Treasury Regulations Section 1.860G-2(g) to reduce the Reserve Account. On or before the Closing Date, the Paying Agent is hereby authorized and directed to open a non-interest bearing trust account for the Reserve Account for any amounts pursuant to this Section 3.03(c)(viii), and amounts therein shall remain uninvested.

Any amounts paid to the holders of the Trust Certificates pursuant to this Section 3.03 shall be paid by wire in the amounts specified below in accordance with instructions provided by the holders of the Trust Certificates to the Paying Agent in writing. (d) [reserved].

(e) Each payment with respect to a Book-Entry Note shall be paid to the Depository, as Holder thereof, and the Depository shall be responsible for crediting the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures. Each Depository Participant shall be responsible for disbursing such distribution to the Note Owners that it represents and to each indirect participating brokerage firm (a “brokerage firm” or “indirect participating firm”) for which it acts as agent. Each brokerage firm shall be responsible for disbursing funds to the Note Owners that it represents and none of the Indenture Trustee, the Paying Agent, the REMIC Administrator, the Registrar, the Trust Registrar or the Issuer shall have any responsibility therefor.

(f) Any installment of interest or principal, if any, payable on any Definitive Note that is punctually paid or duly provided for by the Issuer on the applicable Payment Date shall be paid to each Holder of record on the related Record Date, by wire transfer to an account specified in writing by such Holder at least five (5) Business Days prior to such Payment Date; provided, however, that the Paying Agent shall not pay to such Holders any amount required to be withheld from a payment to such Holder by the Code or related Treasury Regulations.

(g) The Note Amount for each Class of Notes shall be due and payable in full on the Stated Final Maturity Date as provided in the forms of Notes set forth in Exhibit A-1 through Exhibit A-8 to this Indenture. All principal payments on the Notes shall be made to the Noteholders entitled thereto in accordance with the Percentage Interests represented by such Notes. Upon notice to the Paying Agent by the Issuer, the Paying Agent shall notify the Person in whose name a Note is registered at the close of business on the related Record Date for the Stated Final Maturity Date or other final Payment Date (including any final Payment Date resulting from any purchase, sale or redemption pursuant to Section 8.05 hereof). Such notice shall to the extent practicable be mailed no later than five (5) Business Days prior to such Stated Final Maturity Date or other final Payment Date and shall specify that payment of the principal amount and any interest due with respect to such Note will be payable on the Stated Final Maturity Date or other final Payment Date. No interest shall accrue on the Notes on or after the Stated Final Maturity Date or any such other final Payment Date.

(h) If, after giving effect to the allocation of Available Funds on any Payment Date and the increase of any Note Amounts of the Notes or the Certificate Balance of the Class FR Certificates as a result of Write-up Amounts, the sum of the aggregate Note Amount of the Offered Notes and the Certificate Balance of the Class FR Certificates exceeds the aggregate Principal Balance of the Mortgage Loans as of the last day of the related Collection Period, the resulting Applied Realized Loss Amount will be allocated (A) on any Payment Date on which a Credit Event is not in effect, (i) to reduce the Certificate Balance up to the Class FR Certificates Writedown Amount for such Payment Date, until the Certificate Balance has been reduced to zero and then (ii) sequentially to the Class G, Class F, Class E, Class D, Class C, Class B and Class A Notes, in that order, until their respective Note Amounts are reduced to zero and (B) on any Payment Date on which a Credit Event is in effect, sequentially to the Class FR Certificates and the Class G, Class F, Class E, Class D, Class C, Class B and Class A Notes, in that order, until the respective Certificate Balance or Note Amounts are reduced to zero. The Note Amount of the most senior Class of Notes to which Applied Realized Loss Amounts have been allocated or the Class FR Certificates will be increased up to the amount of Applied Realized Loss Amounts previously allocated thereto.

Subsequent Recoveries in respect of the Mortgage Loans will be paid to the Notes and the Class FR Certificates as part of Available Funds and the Note Amount of each Class of Notes then outstanding and the Certificate Balance of the Class FR Certificates, in each case that has been reduced by Applied Realized Loss Amounts, will be increased, if after giving effect to the allocation of Available Funds on any Payment Date, the aggregate Principal Balance of the Mortgage Loans as of the last day of the related Collection Period exceeds the sum of the aggregate Note Amount of the Notes and the Certificate Balance of the Class FR Certificates as further described below. On each Payment Date, any Write-up Amounts will be allocated to increase *first*, the Note Amounts of the Class A, Class B, Class C, Class D, Class E, Class F and Class G Notes, in that order, and *second*, the Certificate Balance of the Class FR Certificates, in each case up to the amount of Applied Realized Loss Amounts previously allocated thereto. Any allocation of a Write-up Amount on a Payment Date will have the result of increasing, as applicable, the Note Amount of such Class by the amount of such Write-up Amount allocated to such Class.

Any Class of Notes and the Class FR Certificates whose Note Amount or Certificate Balance has been reduced to zero due to the allocation of Realized Losses or Class FR Certificates Writedown Amounts will nonetheless remain outstanding under this Indenture or the Trust Agreement, as applicable, until the termination of the Issuer, and the Note Amount or Certificate Balance thereof, as applicable, may be increased by Subsequent Recoveries or reimbursed for prior Realized Losses or, in the case of the Class FR Certificates, by any Net Draws for which the Servicer is reimbursed by amounts funded by the Class FR Certificateholder.

(i) The Notes are nonrecourse obligations solely of the Issuer and shall be payable only from the Grant of Collateral. The Indenture Trustee, the Paying Agent, the Registrar and each Noteholder and each Note Owner shall be deemed to have agreed that they have no rights or claims against the Issuer directly and may only look to the Trust Estate to satisfy the Issuer's obligations hereunder. In the event that the proceeds of realization of the Collateral are insufficient to satisfy all claims whose recourse is limited thereto in accordance with this Indenture, such claims shall be limited to the proceeds received from the realization of the Collateral and once such proceeds have been exhausted in accordance with this Indenture, no debt shall be owed by the Issuer for any

further sum, with any claims against, or obligations of the Issuer thereupon being extinguished and no further assets of the Issuer shall be available to meet such claims. Each Noteholder (and each Note Owner) shall be deemed to have agreed, by its acceptance of its Note (or any interest therein), not to file or join in filing any petition in bankruptcy or commence any similar proceeding in respect of the Issuer for a period of one year and one day (or, if longer, then the applicable preference period plus one day) following payment in full of such Note.

Notwithstanding the provisions of this Section 3.03(i), the Issuer or another entity may, subject to Section 3.11 hereof, at any time advance funds to the Paying Agent for the purpose of allowing the Paying Agent to make payments of (i) accrued and unpaid interest on the Notes, (ii) principal on the Notes or any other amount owed by the Issuer pursuant to this Indenture on or after the Stated Final Maturity Date or following the acceleration of the Notes under Section 5.02 hereof or (iii) any unreimbursed Extraordinary Trust Expense; provided, however, that the Issuer shall not be permitted to make any such advance unless it has provided an Opinion of Counsel to the Paying Agent and REMIC Administrator that such advance will not result in an Adverse REMIC Event. If the Issuer or another entity makes such an advance, it shall be entitled to withdraw from the Payment Account on any Payment Date the amount so advanced but only after the payment of any amounts due and payable to any other Person on such Payment Date pursuant to this Indenture.

(j) Solely for U.S. federal income tax purposes, including the REMIC Provisions, the following shall apply:

(i) Payments made with respect to fees, reimbursable expenses, and indemnities will be treated as paid by REMIC I.

(ii) Payments made on the class FR Certificate will be treated as made by REMIC I.

(iii) Payments, if any, made on the Class R Certificates will be treated as made by REMIC II.

(iv) The principal balance of each class of REMIC II Regular Interests will be reduced to the same extent as the principal amount of the related Class of Notes has been reduced.

(v) The principal balance of each class of the REMIC I Regular Interest will be reduced to the same extent as the principal balance of the corresponding REMIC II Regular Interest has been reduced.

(vi) Interest on the REMIC I and REMIC II regular interests will accrue at the rates set out in the Trust Agreement.

(vii) Payments into the Net WAC Shortfall Reserve Account will be treated as having been made to the holder of the Class XS Notes and then transferred by such holder to the Grantor Trust.

(viii) Payments out of the Net WAC Shortfall Reserve Account will be treated as made from the Grantor Trust and not either REMIC.

(ix) [Reserved].

(x) Any unreimbursed Net Draws will be treated as if contributed by the holder of the Class FR Interest to a “qualified reserve fund” within the meaning of Section 860G(a)(7)(B) of the Code.

(xi) Applied Realized Loss Amounts and Subsequent Recoveries, in each case, if any, shall be allocated to the REMIC I Regular Interests in the same manner as such losses and recoveries are allocated to the corresponding REMIC II Regular Interests which shall be in the same manner as such losses and recoveries are allocated to the corresponding Classes of Notes, so that the principal balances of the REMIC II Regular Interests shall track the principal balances of the related Notes and the principal balances of the REMIC I Regular Interests will track the principal amounts of the related REMIC II Regular Interests. Interest on the REMIC I Regular Interests will be paid pro rata among the classes of regular interests.

(xii) Amounts that are considered to have been received by REMIC II, as holder of the REMIC I Regular Interests from REMIC I, and the amounts treated as paid by REMIC II on the Notes will be treated as paid in the same manner as distributions are made pursuant to section 3.03(a)-(c) hereof.

(k) The Paying Agent agrees that the Available Funds for any Payment Date paid in accordance with Section 3.03(a) hereof shall include, as required herein, all amounts collected with respect to the Mortgage Loans after the Cut-Off Date and all payments due after the Cut-Off Date but received prior to the Cut-Off Date.

Section 3.04. Protection of Trust Estate. (a) The Issuer shall from time to time prepare, execute and deliver all such supplements and amendments hereto and all such financing statements, continuation statements, instruments of further assurance and other instruments, and will take such other action necessary or advisable to:

(i) maintain or preserve the lien and security interest (and the priority thereof) of this Indenture or carry out more effectively the purposes hereof;

(ii) perfect, publish notice of or protect the validity of any Grant made or to be made by this Indenture;

(iii) enforce any rights with respect to the Trust Estate; or

(iv) preserve and defend title to the Trust Estate and the rights of the Indenture Trustee and the Noteholders in the Trust Estate against the claims of all persons and parties.

(b) Except as otherwise provided in a Transaction Document, neither the Indenture Trustee nor the Paying Agent shall, and shall not be directed to, remove or permit the Custodian to remove any portion of the Trust Estate that consists of money or is evidenced by an instrument,

certificate or other writing from the jurisdiction in which it was held at the Closing Date, unless the Indenture Trustee and the Paying Agent shall have first received an Opinion of Counsel to the effect that the lien and security interest created by this Indenture with respect to such property will continue to be maintained after giving effect to such action or actions.

The Issuer hereby designates the Indenture Trustee its agent and attorney-in-fact to sign any applicable financing statement, continuation statement or other instrument required to be signed pursuant to this Section 3.04. The Issuer hereby authorizes the filing of financing statements in all appropriate jurisdictions describing the Trust Estate as “all assets” of the Issuer as debtor or words of similar effect, or being of equal or lesser scope or with greater detail.

Section 3.05. Performance of Obligations. (a) The Issuer shall punctually perform and observe all of its obligations and agreements contained in this Indenture, the Transaction Documents and in the instruments and agreements included in the Trust Estate.

(b) The Issuer may retain an administrator and may enter into contracts with other Persons to assist it in performing its duties under this Indenture, and any performance of such duties by any Person identified to the Indenture Trustee, the Trust Registrar, the Registrar and the Paying Agent in an Officer’s Certificate of the Issuer shall be deemed to be action taken by the Issuer. The Issuer has engaged the Administrator to perform the duties of the Administrator pursuant to the Administration Agreement and the other Transaction Documents.

(c) The Issuer shall not take any action or permit any action to be taken by others which would release any Person from any of such Person’s covenants or obligations under any instrument included in the Trust Estate, or which would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument, except as expressly provided in any Transaction Document.

(d) The Issuer shall not waive, amend, modify, supplement or terminate any Transaction Document or any provision thereof other than in accordance with the amendment or termination provisions of such Transaction Document.

Section 3.06. Negative Covenants. So long as any Notes are Outstanding, the Issuer shall not, except as expressly permitted by a Transaction Document:

(i) sell, transfer, exchange or otherwise dispose of the Trust Estate;

(ii) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts properly withheld from such payments under the Code or Treasury Regulations) or assert any claim against any present or former Noteholder, by reason of the payment of the taxes levied or assessed upon any part of the Trust Estate;

(iii) (A) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien of this Indenture to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby, (B) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance

(other than the lien of this Indenture) to be created on or extend to or otherwise arise upon or burden the Trust Estate or any part thereof or any interest therein or the proceeds thereof or (C) permit the lien of this Indenture not to constitute a valid first priority security interest in the Trust Estate;

(vi) change its name, the jurisdiction of its formation, or the type of entity it is, unless it has first (A) taken all actions, including the making of all filings under the UCC as in effect in all applicable jurisdictions, as are necessary to maintain and continue the first-priority security interest of the Indenture Trustee in the Collateral (to the extent that such filing can create a first priority security interest under the UCC), and (B) delivered to the Indenture Trustee an Opinion of Counsel acceptable to the Indenture Trustee that the Issuer has made all filings under the UCC as in effect in all applicable jurisdictions as are necessary to maintain and continue the first-priority security interest of the Indenture Trustee in the Collateral (to the extent that such filing can create a first priority security interest under the UCC); or

(vii) take any action or fail to take any action which may cause the Issuer to be subject to regulation by the Commission as an “investment company” within the meaning of the Investment Company Act of 1940, as amended.

Notwithstanding the foregoing, the Issuer acknowledges that the foregoing covenants and agreements are not intended to conflict with the establishment of each REMIC pursuant to the Trust Agreement and shall not take any action that should reasonably be expected to, or fail to take any action if such failure should reasonably be expected to, cause (A) the Issuer to be subject to entity-level U.S. federal income tax or (B) an Adverse REMIC Event.

Section 3.07. Issuer May Not Consolidate, etc. The Issuer shall not consolidate or merge with or into any other Person or convey or transfer the Trust Estate to any Person.

Upon notice of such successor Issuer, the Indenture Trustee, REMIC Administrator and the Paying Agent may require such Successor Person to furnish to the Indenture Trustee, the REMIC Administrator and the Paying Agent certain requested information to allow the Indenture Trustee, the REMIC Administrator and the Paying Agent to complete their “Know Your Customer” procedures. None of the Indenture Trustee, the REMIC Administrator or the Paying Agent shall have any obligations or liabilities to any successor Issuer until the Indenture

Trustee, the REMIC Administrator and the Paying Agent have verified that they may legally transact business with such successor Issuer pursuant to the limitations and requirements of this Section 3.08(a) and the requirements and limitations of the Indenture Trustee's, the REMIC Administrator's and the Paying Agent's "Know Your Customer" rules that may be in effect from time to time.

Section 3.09. No Other Business. The Issuer shall not engage in any business other than financing, purchasing, owning and selling and managing the Trust Certificates and the Trust Estate and the issuance (and redemption as set forth in Sections 8.05 hereof, if applicable) of the Notes in the manner contemplated by this Indenture and the Transaction Documents and all activities incidental thereto.

Section 3.10. No Borrowing. The Issuer shall not issue, incur, assume, guarantee or otherwise become liable, directly or indirectly, for any indebtedness except for the Notes under this Indenture.

Except as contemplated by this Indenture or the Transaction Documents, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

Section 3.12. Capital Expenditures. The Issuer shall not make any expenditure (by long-term or operating lease or otherwise) for capital assets (either realty or personalty).

Section 3.13. Restricted Payments. The Issuer shall not, directly or indirectly, (i) pay any dividend or make any distribution (by reduction of capital or otherwise), other than any other amounts payable to the Issuer under the Transaction Documents, which may be paid to the Depositor, whether in cash, property, securities or a combination thereof, (ii) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or security except in connection with an optional redemption and new issuance under Article VIII hereof or (iii) set aside or otherwise segregate any amounts for any such purpose; provided, however, that the Issuer may make, or cause to be made, distributions and payments to itself, the Indenture Trustee, the Paying Agent, the REMIC Administrator, the Registrar, the Custodian, Owner Trustee and the Noteholders as contemplated by, and to the extent funds are available for such purpose under this Indenture and the Transaction Documents. The Issuer shall not, directly or indirectly, make payments to or distributions from the Payment Account except in accordance with this Indenture and the Transaction Documents.

Section 3.14. Notice of Events of Default. The Issuer shall give the Indenture Trustee, the Registrar, the Paying Agent and the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) prompt written notice of each Event of Default hereunder.

Section 3.15. Further Instruments and Acts. Upon request of the Indenture Trustee or the Paying Agent, the Issuer shall execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 3.16. Certain Representations Regarding the Trust Estate. The Issuer represents to the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent that:

(i) This Indenture creates a valid and continuing security interest (as defined in the applicable UCC) in the Collateral in favor of the Indenture Trustee, not in its individual capacity but solely in its capacity as Indenture Trustee on behalf of the Noteholders, which security interest is prior to all other liens, and is enforceable as such against creditors of and purchasers from the Issuer;

(ii) The Collateral constitutes “certificated securities,” “deposit accounts,” “instruments” or “general intangibles” or is a Financial Asset credited to a Securities Account, as applicable within the meaning of the applicable UCC; provided that the Payment Account and the Reserve Account constitute Securities Accounts;

(iii) The Issuer owns and has good and marketable title to the Collateral pledged by it, free and clear of any lien, claim or encumbrance of any Person;

(iv) The Issuer has caused or will have caused, within ten (10) days of the Closing Date, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law; and

(v) Other than the security interest granted to the Indenture Trustee, not in its individual capacity but solely in its capacity as Indenture Trustee on behalf of the Noteholders, pursuant to this Indenture, the Issuer has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Collateral. The Issuer has not authorized the filing of and is not aware of any financing statements against the Issuer that include a description of collateral comprising the Collateral other than any financing statement relating to the security interest granted to the Indenture Trustee hereunder or that has been terminated.

(vi) The Collateral is not in the name of any Person other than the Issuer, the Owner Trustee (on behalf of the Issuer), the Servicer or nominee (on behalf of the Issuer) or the Indenture Trustee. The Custodian has in its possession all original copies of the Mortgage Assets registered in the name of the Issuer or the Indenture Trustee not in its individual capacity but solely in its capacity as Indenture Trustee on behalf of the Noteholders. Each Mortgage Asset that constitutes or evidences the Collateral does not have any marks or notations indicating that it has been pledged, assigned or otherwise conveyed to any Person other than the Issuer or the Indenture Trustee. The Issuer has not consented to the Collateral being maintained to comply with instructions of any Person other than the Indenture Trustee or the Paying Agent.

(vii) The Issuer has received all consents and approvals required by the terms of each item of Collateral to the transfer to the Indenture Trustee of its interest and rights in the Collateral.

(viii) The Issuer is not now, and immediately following the issuance of the Notes pursuant to this Indenture will not be, required to be registered under the Investment Company Act. The Issuer will be relying on an exclusion or exemption from the definition of “investment company” under the Investment Company Act contained in Section 3(c)(5) of the Investment Company Act, although there may be additional exclusions or exemptions available to the Issuer. The Issuer is being structured so as not to constitute a “covered fund” as defined in the final regulations issued December 10, 2013, implementing the “Volcker Rule” (Section 619 of the Dodd-Frank Wall Street Reform and Consumer Protection Act).

ARTICLE IV

THE NOTES; SATISFACTION AND DISCHARGE OF INDENTURE

Section 4.01. The Notes. The Notes shall be registered in the name of a nominee designated by the Depository. Beneficial Owners will hold interests in the Book-Entry Notes through the book-entry facilities of the Depository in minimum Denominations of \$150,000 and integral multiples of \$1 in excess thereof; provided, that the Class XS Notes will be issued in minimum denominations of \$1,000,000 and integral multiples of \$1 in excess thereof.

The Paying Agent, the Indenture Trustee, the REMIC Administrator, the Owner Trustee, the Custodian and the Registrar may for all purposes (including the making of payments due on the Book-Entry Notes) deal with the Depository as the authorized representative of the Beneficial Owners with respect to the Book-Entry Notes for the purposes of exercising the rights of Holders of the Notes hereunder. Except as provided in the next succeeding paragraph of this Section 4.01, the rights of Beneficial Owners with respect to the Book-Entry Notes shall be limited to those established by law and agreements between such Beneficial Owners and the Depository and Depository Participants. Except as provided in Section 4.08 hereof, Beneficial Owners shall not be entitled to Definitive Notes in exchange for the Book-Entry Notes as to which they are the Beneficial Owners. Requests and directions from, and votes of, the Depository as Holder of the Notes shall not be deemed inconsistent if they are made with respect to different Beneficial Owners. The Registrar may establish a reasonable record date in connection with solicitations of consents from or voting by Noteholders and give notice to the Depository of such record date. Other than pursuant to Section 4.08, without the consent of the Issuer, the Indenture Trustee, the Registrar and the Paying Agent, no Book-Entry Note may be transferred by the Depository except to a successor Depository that agrees to hold such Note for the account of the Beneficial Owners.

In the event the Depository Trust Company resigns or is removed as Depository, the Paying Agent (in consultation with the Sponsor) may appoint a successor Depository. If no successor Depository has been appointed within thirty (30) days of the effective date of the Depository’s resignation or removal, each Beneficial Owner shall be entitled to Definitive Notes representing the Notes it beneficially owns in the manner prescribed in Section 4.08 hereof.

The Notes shall, on original issue, be executed by the Issuer, authenticated by the Registrar and delivered by the Registrar to or upon Issuer Request.

Section 4.02. Registration of and Limitations on Transfer and Exchange of Notes; Appointment of Registrar.

(a) At all times during the term of this Indenture, there shall be maintained at the office of a registrar appointed hereunder (the “Registrar”) a register (the “Register”) in which, subject to such reasonable regulations as the Registrar may prescribe, the Registrar shall provide for the registration of Notes and of transfers and exchanges of Notes as herein provided. The Indenture Trustee is hereby initially appointed (and hereby agrees to act in accordance with the terms hereof) as Registrar for the purpose of registering Notes and transfers and exchanges of Notes as herein provided. If the Indenture Trustee resigns or is removed in its capacity as Paying Agent in accordance with the terms hereof, the Indenture Trustee shall also resign or be removed in its capacity as Registrar. Any successor paying agent shall also immediately succeed as successor registrar hereunder.

(b) No transfer, sale, pledge or other disposition of any Note or interest therein shall be made unless that transfer, sale, pledge or other disposition is exempt from the registration and/or qualification requirements of the Securities Act and any applicable state securities laws, or is otherwise made in accordance with the Securities Act and such state securities laws. None of the Issuer, the Indenture Trustee, the Owner Trustee, the Paying Agent, the REMIC Administrator, or the Registrar is obligated to register or qualify any Notes under the Securities Act or any other securities law or to take any action not otherwise required under this Indenture to permit the transfer of any Note or interest therein without registration or qualification. Any Noteholder desiring to effect a transfer of Notes or interests therein shall, and does hereby agree to, provide the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent and the Registrar such security or indemnity as may be reasonably required by them to save each of them harmless against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws. If a Noteholder does not meet the transfer requirements set forth herein, the Issuer shall have the right to require any such Noteholder to sell its interest in the Note it holds.

(c) If a transfer of an Ownership Interest held by the related transferor in the form of a Rule 144A Global Note and also to be held by the related transferee in the form of a Rule 144A Global Note is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receives (and upon receipt, may conclusively rely upon) (i) a certificate from the Noteholder desiring to effect such transfer substantially in the form attached as Exhibit B-1 hereto and (ii) a certificate from such Noteholder’s prospective transferee substantially in the form attached as Exhibit B-2 hereto (as to which, in the case of the Book-Entry Notes, the Noteholder and the Noteholder’s prospective transferee will be deemed to have made the representations and agreements contained therein), to the effect that, among other things, the transfer is being made to a Person that is (i) a QIB and/or (ii) the Sponsor or an Affiliate thereof, in each case in accordance with Rule 144A. If a transfer of an Ownership Interest held by the related transferor in the form of a Rule 144A Global Note and to be held by the related transferee in the form of a Temporary Regulation S Global Note, on or prior to the Exchange Date, or a

Permanent Regulation S Global Note, after the Exchange Date, is to be made without registration under the Securities Act, then the Registrar shall refuse to register such transfer unless it receives (and upon receipt may conclusively rely upon) a certificate from the prospective transferee of the Noteholder desiring to effect such transfer substantially in the form attached as Exhibit B-3 hereto (a “Regulation S Transfer Certificate”) (as to which, in the case of the Book-Entry Notes, the Noteholder’s prospective transferee will be deemed to have made the representations and agreements contained therein), to the effect that such transfer is being made to a non-U.S. Person in accordance with Regulation S under the Securities Act.

(d) If a transfer of a Note held by the related transferor in the form of a Rule 144A Definitive Note and is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receives (and upon receipt, may conclusively rely upon) a certificate from the Noteholder desiring to effect such transfer substantially in the form attached as Exhibit B-1 hereto and a certificate from such Noteholder’s prospective transferee substantially in the form attached as Exhibit B-2 hereto, to the effect that, among other things, the transfer is being made to (i) a QIB and/or (ii) the Sponsor or an Affiliate thereof, in each case in accordance with Rule 144A.

(e) If any transfer of an Ownership Interest held by the related transferor in the form of a Temporary Regulation S Global Note or Permanent Regulation S Global Note, as the case may be, is to be made without registration under the Securities Act, then the Registrar shall refuse to register such transfer unless it receives (and upon receipt may conclusively rely upon) (i) in the case of a transfer to a transferee that takes delivery in the form of an Ownership Interest in a Rule 144A Global Note, a certificate from the Noteholder desiring to effect such transfer substantially in the form of Exhibit B-4 hereto (a “Rule 144A Transfer Certificate”) or such other certification reasonably acceptable to the Registrar; and (ii) in the case of a transferee that takes delivery in the form of an Ownership Interest in a Temporary Regulation S Global Note, on or prior to the Exchange Date, or a Permanent Regulation S Global Note, after the Exchange Date, a Regulation S Transfer Certificate (as to which, in the case of the Book-Entry Notes, the Noteholder’s prospective transferee will be deemed to have made the representations and agreements contained therein) from the Noteholder desiring to effect such transfer or such other certification reasonably acceptable to the Registrar, in either case to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S of the Securities Act and that, if such transfer occurs on or prior to the Exchange Date, the interest transferred will be held immediately thereafter through Euroclear or Clearstream. An Ownership Interest held by the related transferor in the form of a Temporary Regulation S Global Note may be exchanged, only on or after the Exchange Date, for an Ownership Interest held by the related transferor in the form of a Permanent Regulation S Global Note, upon delivery to the Registrar of a certification substantially in the form of Exhibit B-5 hereto (a “Clearing System Certificate”).

(f) By acquiring a Class A Note, a Class B Note, a Class C Note or a Class D Note (or any interest therein), each purchaser and transferee (and its fiduciary, if applicable) will be deemed to represent and warrant that either (i) it is not acquiring and will not hold such Note (or interest therein) with the assets of a Benefit Plan Investor or a Plan that is subject to Similar Law or (ii) (A) the Note is rated at least “BBB-” or its equivalent by a nationally recognized statistical rating agency at the time of acquisition or transfer and the Note has not been characterized as other than

indebtedness under applicable local law and (B) the acquisition, holding and disposition of the Note (or interest therein) will not, in the case of a Benefit Plan Investor, give rise to a non-exempt prohibited transaction under Section 406 of ERISA or Section 4975 of the Code or, in the case of a Plan that is subject to Similar Law, result in a violation of any Similar Law.

(g) By acquiring a Class XS Note, a Class E Note, a Class F Note or a Class G Note (or any interest therein), each purchaser and transferee (and its fiduciary, if applicable) will be deemed to represent and warrant that it is not acquiring and will not hold such Note (or interest therein) with the assets of a Benefit Plan Investor or a Plan that is subject to Similar Law.

(h) Notes of any Class may be transferred separately from Notes of any other Class. The foregoing will not be affected by any pattern of conduct of transferring more than one Class of Notes at the same time from a single transferor to a single transferee.

(i) If a Person is acquiring any Note or interest therein as a fiduciary or agent for one or more accounts, such Person shall be required to deliver to the Registrar a certification (which in the case of the Book-Entry Notes, the prospective transferee will be deemed to have represented such certification) to the effect that it has (i) sole investment discretion with respect to each such account and (ii) full power to make the foregoing acknowledgments, representations, warranties, certifications and agreements with respect to each such account as set forth in subsections (b) and any of (c) or (d) of this Section 4.02.

(j) Subject to the preceding provisions of this Section 4.02, upon surrender for registration of transfer of any Note at the applicable Corporate Trust Office of the Registrar maintained for such purpose, the Issuer shall execute and upon Issuer Request, the Registrar shall authenticate and deliver, in the name of the designated transferee or transferees, one or more new Notes of a like Denomination. As of the Closing Date, the offices of the Registrar maintained for such purpose are located at the Corporate Trust Office.

(k) At the option of any Noteholder, its Notes may be exchanged for other Notes of authorized Denominations of a like aggregate Denomination, upon surrender of the Notes to be exchanged at the offices of the Registrar maintained for such purpose. Whenever any Notes are so surrendered for exchange, the Issuer shall execute and upon Issuer Request the Registrar shall authenticate and deliver the Notes which the Noteholder making the exchange is entitled to receive.

(l) Every Note presented or surrendered for transfer or exchange shall (if so required by the Registrar) be duly endorsed by, or be accompanied by a written instrument of transfer in the form satisfactory to the Registrar and the Indenture Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing.

(m) No service charge shall be imposed for any transfer or exchange of Notes, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes.

(n) All Notes surrendered for transfer and exchange shall be physically delivered to the Registrar and thereupon cancelled by the Registrar, and the Registrar shall dispose of such cancelled Notes in accordance with its standard procedures.

(o) The Registrar shall provide to the Issuer, upon reasonable written request, and at the expense of the requesting party, an updated copy of the Register. The Issuer shall have the right to inspect the Register or to obtain a copy thereof at all reasonable times, and to rely conclusively upon a certificate of the Registrar as to the information set forth in the Register.

(p) No certifications shall be required of the Sponsor in connection with any transfers of the Notes by the Sponsor to any of its Affiliates.

Section 4.03. Mutilated, Destroyed, Lost or Stolen Notes. If any mutilated Note is surrendered to the Registrar, the Issuer shall execute and upon Issuer Request the Registrar shall authenticate and deliver, in exchange therefor, a new Note of the same Denomination and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Issuer, the Indenture Trustee, the Paying Agent and the Registrar (i) evidence to their satisfaction of the destruction (including mutilation tantamount to destruction), loss or theft of any Note and the ownership thereof and (ii) such security or indemnity as may be reasonably required by any of them to hold each of them and any agent of any of them harmless, then, in the absence of written notice to the Issuer, the Indenture Trustee, the Paying Agent or the Registrar that such Note has been acquired by a protected purchaser, the Issuer shall execute and upon Issuer Request the Registrar shall authenticate and deliver, in lieu of any such destroyed, lost or stolen Note, a new Note of the same tenor and Denomination registered in the same manner, dated the date of its authentication and bearing a number not contemporaneously outstanding.

Upon the issuance of any replacement Note under this Section 4.03, the Issuer may require the payment by the Holder of such Note of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other reasonable expenses (including the reasonable fees and expenses of the Registrar, the Paying Agent or the Indenture Trustee) in connection therewith.

Every replacement Note issued pursuant to this Section 4.03 in replacement of any mutilated, destroyed, lost or stolen Note shall constitute an original additional contractual obligation of the Issuer, whether or not the mutilated, destroyed, lost or stolen Note shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes duly issued hereunder.

The provisions of this Section 4.03 are exclusive and shall preclude (to the extent permitted by applicable law) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 4.04. Persons Deemed Owners. Prior to due presentment for registration of transfer of any Note, the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the Custodian and the Registrar and any agent thereof may treat the Person in whose name any Note is registered (as of the day of determination) as the owner of such Note for the purpose of receiving payments of principal of and interest, if any, on such Note and for all other purposes whatsoever, whether or not such Note be overdue, and none of the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the

Custodian, the Registrar or any agent thereof shall be affected by notice to the contrary. Upon any request or inquiry by a Noteholder, the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the Custodian and the Registrar and any agent thereof shall be entitled to receive a certification in form reasonably satisfactory to the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the Custodian, the Registrar or such agent, as the case may be, to enable the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the Custodian, the Registrar or such agent, as applicable, to confirm the status of such entity as a Noteholder.

Section 4.05. Cancellation. All Notes surrendered for payment, registration of transfer, exchange or redemption shall, if surrendered to any Person other than the Registrar, be delivered to the Registrar and shall be promptly cancelled by the Registrar unless otherwise deemed cancelled in accordance with Section 8.04 hereof. The Issuer may at any time deliver to the Registrar for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in any manner whatsoever, and all Notes so delivered shall be promptly cancelled by the Registrar. No Notes shall be authenticated in lieu of or in exchange for any Notes cancelled as provided in this Section 4.05, except as expressly permitted by this Indenture. All cancelled Notes may be held or disposed of by the Registrar in accordance with its standard retention or disposal policy as in effect at the time unless the Issuer shall direct by an Issuer Request that they be destroyed or returned to it bearing a designation marked “cancelled” or another similar designation; provided, however, that such Issuer Request is timely and the Notes have not been previously disposed of by the Registrar.

Section 4.06. Form of Notes. The Notes, upon original issuance, will be issued in the form of typewritten Notes representing the Book-Entry Notes, to be delivered to the Indenture Trustee, as custodian for The Depository Trust Company, the initial Depository, by, or on behalf of, the Issuer. The Notes shall initially be registered on the Register in the name of Cede & Co., the nominee of the initial Depository, and no Beneficial Owner will receive a Definitive Note representing such Beneficial Owner’s interest in such Note, except as provided in Section 4.08 hereof. With respect to the Notes to be held as Rule 144A Global Notes, unless and until Definitive Notes have been issued to Beneficial Owners pursuant to Section 4.08 hereof:

- (i) the provisions of this Section 4.06 shall be in full force and effect;
- (ii) the Registrar, the Paying Agent, the REMIC Administrator, the Owner Trustee, the Custodian and the Indenture Trustee shall be entitled to deal with the Depository for all purposes of this Indenture (including the payment of principal of and interest on such Notes and the giving of instructions or directions hereunder) as the sole Holder of such Notes, and shall have no obligation to the Beneficial Owners of the Notes;
- (iii) to the extent that the provisions of this Section 4.06 conflict with any other provisions of this Indenture, the provisions of this Section 4.06 shall control;
- (iv) the rights of Beneficial Owners shall be exercised only through the Depository and shall be limited to those established by law and agreements between such owners of Notes and the Depository and/or the Depository Participants. Unless and until Definitive Notes are issued pursuant to Section 4.08 hereof, the initial Depository will

make book- entry transfers among the Depository Participants and receive and transmit payments of principal of and interest on such Notes to such Depository Participants; and

(v) whenever this Indenture or any other Transaction Document requires or permits actions to be taken based upon instructions or directions of Holders of Notes evidencing a specified Percentage Interest, the Depository shall be deemed to represent such percentage with respect to such Notes only to the extent that it has received instructions to such effect from Beneficial Owners and/or Depository Participants owning or representing, respectively, such required percentage of the beneficial interest in such Notes and has delivered such instructions to the Indenture Trustee.

None of the Issuer, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Owner Trustee, the Custodian or the Registrar shall have any liability for any aspect of the records relating to or payments made on account of beneficial ownership interests in the Book-Entry Notes or for maintaining, supervising or reviewing any records relating to beneficial ownership interests or transfers thereof.

Section 4.07. Notices to Depository. Whenever a notice or other communication to the Noteholders of the Global Notes is required under this Indenture, unless and until Definitive Notes shall have been issued to Beneficial Owners pursuant to Section 4.08 hereof, the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent shall give all such notices and communications specified herein to be given to Holders of such Notes to the Depository, and shall have no obligation to deliver the same to the Beneficial Owners thereof.

Section 4.08. Definitive Notes for Book-Entry Notes. If the Depository advises the Issuer, the Administrator, the Owner Trustee, Indenture Trustee, the REMIC Administrator, the Paying Agent and the Registrar in writing that the Depository is no longer willing or able to properly discharge its responsibilities with respect to the Book-Entry Notes and the Paying Agent (in consultation with the Sponsor) is unable to locate a qualified successor within thirty (30) days of such notice, then the Indenture Trustee shall request that the Depository notify all Beneficial Owners of the occurrence of any such event and of the availability of Definitive Notes to Beneficial Owners requesting the same. Upon surrender to the Registrar of the typewritten Notes representing the Book-Entry Notes by the Depository, accompanied by registration instructions, the Issuer shall execute, and upon Issuer Request, the Registrar shall authenticate Definitive Notes in accordance with the instructions of the Depository. None of the Issuer, the Paying Agent, the REMIC Administrator, the Registrar or the Indenture Trustee shall be liable for any delay in delivery of such instructions and may conclusively rely on, and shall be protected in relying on, such instructions. Upon the issuance of such Definitive Notes, the Issuer, the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent shall recognize the Holders of such Definitive Notes as Noteholders.

Section 4.09. Tax Treatment. (a) The Issuer has entered into this Indenture, and the Notes shall be issued, with the intention that, for federal, state and local income, single business and franchise tax purposes, the Notes shall represent beneficial ownership of one or more “regular interests” in a REMIC as defined in the Code (which in turn represent beneficial ownership of regular interests in a lower-tier REMIC (each as more fully described in Section 2.15 et seq. of the Trust Agreement) , together, where specified in this Indenture and Trust Agreement, with interests

in a notional principal contract, held in a grantor trust. The Issuer, by entering into this Indenture, and each Noteholder, by its acceptance of its Note, and all successors and assignees of the parties hereto agree to treat the Notes for federal, state and local income, single business and franchise tax purposes consistent with the aforementioned intended treatment and this Indenture and the Trust Agreement shall be interpreted to further this intention and the intention that the designation of the REMIC Interests and notional principal contract arrangements be interpreted to reflect the cashflows on the Notes and Certificates.

(b) Each Noteholder shall timely furnish the Issuer and the Paying Agent or their agents a correct, complete and properly executed U.S. federal income tax form or certification (including, without limitation, IRS Form W-8BEN, IRS Form W-8BEN-E, IRS Form W-8IMY (with appropriate attachments), IRS Form W-9 or IRS Form W-8ECI or any successors to such IRS forms) prior to the first Payment Date and at such time or times as required by law or that the Issuer, the Paying Agent or their respective agents may reasonably request and shall update and replace such form or certification in accordance with its terms or its subsequent amendments. Upon request, each Noteholder shall also furnish the Issuer and the Paying Agent or their agents any other documentation that is required under the Code (including without limitation Sections 1471 through 1474 of the Code) to enable them to determine their duties and responsibilities with respect to any taxes they may be required to withhold pursuant to the Code.

Section 4.10. Satisfaction and Discharge of Indenture. This Indenture shall cease to be of further effect with respect to the Notes except as to (i) rights of registration of transfer and exchange, (ii) substitution of mutilated, destroyed, lost or stolen Notes, (iii) rights of the Noteholders to receive payments of principal thereof and interest thereon, (iv) Sections 3.02, 3.03, 3.04, 3.06, 3.09, 4.11 and 10.14 hereof, (v) the rights, obligations and immunities of the Indenture Trustee, the REMIC Administrator, the Paying Agent and the Registrar hereunder (including, without limitation, the rights of the Indenture Trustee, the REMIC Administrator, the Paying Agent and the Registrar under Section 6.06 hereof and the obligations of the Paying Agent under Section 4.11 hereof), and (vi) the rights of the Noteholders as beneficiaries hereof with respect to the property so deposited with the Indenture Trustee payable to all or any of them, and the Indenture Trustee, on demand of and at the expense of the Issuer, shall execute proper instruments acknowledging satisfaction and discharge of this Indenture with respect to the Notes, shall release and deliver, the Collateral to or upon Issuer Request, when

(a) either

- (i) all Notes theretofore authenticated and delivered (other than (i) Notes that have been destroyed, lost or stolen and that have been replaced or paid as provided in Section 4.03 hereof and (ii) Notes for whose payment money has theretofore been deposited or segregated and held by the Paying Agent and thereafter discharged from such trust, as provided in Section 4.11 hereof) have been delivered to the Registrar for cancellation or otherwise deemed cancelled in accordance with Section 8.04 hereof; or
- (ii) all Notes not theretofore delivered to the Registrar for cancellation
 - a. have become due and payable,

- b. will become due and payable at the Stated Final Maturity Date within one (1) year, or
- c. have been called for early redemption pursuant to Section 8.05 hereof,

and, in the case of a. or b. above, the Paying Agent has on deposit in the Payment Account or the Issuer has deposited with the Paying Agent an amount sufficient to pay and discharge the entire indebtedness on the Notes then Outstanding not theretofore delivered to the Registrar for cancellation when due on the Stated Final Maturity Date or other final Payment Date and all other sums payable hereunder, or, in the case of c. above, the Issuer shall have complied with all requirements of Section 8.05 hereof,

(b) the Issuer has paid or caused to be paid all other sums payable hereunder; and

(c) the Issuer has delivered to the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent an Officer's Certificate signed by the Depositor stating that all conditions precedent herein providing for relating to the satisfaction and discharge of this Indenture have been complied with and stating that the Noteholders and the Indenture Trustee have been paid all amounts owed to them and that the Indenture has been satisfied and discharged in accordance with its terms upon which each of the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent shall be entitled to fully rely with no obligation to verify, confirm or otherwise review and with no liability therefor and an Opinion of Counsel, stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with upon which each of the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent shall be entitled to fully rely with no obligation to verify, confirm or otherwise review and with no liability therefor.

Section 4.11. Application of Trust Money. All monies deposited with the Paying Agent pursuant to Section 4.10 hereof shall be held and applied by it, in accordance with the provisions of the Notes and this Indenture, to the payment, either directly or through any paying agent as designee of the Issuer, as the Paying Agent may determine, to the Holders of the Notes, of all sums due and to become due thereon for principal and interest or otherwise; but such monies need not be segregated from other funds except to the extent required herein or required by law.

Section 4.12. Repayment of Monies Held by Paying Agent. In connection with the satisfaction and discharge of this Indenture with respect to the Notes, all monies then held by any Person other than the Paying Agent under the provisions of this Indenture with respect to such Notes shall, upon demand of the Issuer, be paid to the Paying Agent to be held and applied according to Section 3.03 hereof and thereupon such Person shall be released from all further liability with respect to such monies.

Section 4.13. Temporary Notes. Pending the preparation of any Definitive Notes, the Issuer may execute and upon Issuer Request, the Registrar may authenticate and make available for delivery, temporary Notes that are printed, lithographed, typewritten, photocopied or otherwise produced, in any Denomination, substantially of the tenor of the Definitive Notes in lieu of which

they are issued and with such appropriate insertions, omissions, substitutions and other variations as the officers executing such Notes may determine, as evidenced by their execution of such Notes.

If temporary Notes are issued, the Issuer will cause Definitive Notes to be prepared without unreasonable delay. After the preparation of the Definitive Notes, the temporary Notes shall be exchangeable for Definitive Notes upon surrender of the temporary Notes at the Corporate Trust Office of the Registrar, without charge to the Holder. Upon surrender for cancellation of any one or more temporary Notes, the Issuer shall execute, and upon Issuer Request the Registrar shall authenticate and make available for delivery, in exchange therefor, Definitive Notes of authorized Denominations and of like tenor and aggregate Denomination. Until so exchanged, such temporary Notes shall in all respects be entitled to the same benefits under this Indenture as Definitive Notes.

Section 4.14. No Gross Up.

None of the Issuer, the Paying Agent, the Registrar, the REMIC Administrator or the Indenture Trustee shall be obligated to pay any additional amounts to the Noteholders or Note Owners as a result of any withholding or deduction for, or on account of, any present or future taxes, duties, assessments or governmental charges.

Section 4.15. Compliance with Withholding Requirements.

If the Issuer is required to deduct or withhold any tax from, or with respect to, payments to any Holder of the Notes, then the Issuer shall direct the Paying Agent in writing to deduct, or withhold, the amount required to be deducted or withheld and remit to the relevant authority such amount. Without limiting the generality of the foregoing, the Issuer, Indenture Trustee or Paying Agent may withhold any amount that it determines is required to be withheld from any amounts otherwise distributable to any Holder of a Note (including, but not limited to, as may be required pursuant to Section 1471 – 1474 of the Code). The Issuer shall not be obligated to pay any additional amounts to Holders or beneficial owners of the Notes as a result of any withholding or deduction for, or on account of, any tax imposed on or with respect to payments in respect of the Notes. For all purposes of this Indenture, any amount deducted or withheld pursuant to this Section 4.15 hereof with respect to any Holder shall be treated as cash distributed to such Holder at the time it is withheld or deducted by the Paying Agent.

ARTICLE V

DEFAULT AND REMEDIES

Section 5.01. Events of Default. The Issuer shall deliver to the Indenture Trustee, the Registrar, the REMIC Administrator, the Paying Agent and the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) within five (5) calendar days after learning of any occurrence which is or with notice or lapse of time or both would become an Event of Default, written notice in the form of an Officer's Certificate, indicating the status of such occurrence and what action the Issuer is taking or proposes to take with respect thereto. None of the Indenture Trustee, the REMIC Administrator, the Registrar, or the Paying Agent shall be deemed to have knowledge of any Event of Default unless a Responsible Officer of such entity has actual knowledge thereof or unless written notice of such

Event of Default is received by a Responsible Officer and such notice references the Notes, the Trust Estate or this Indenture. In the absence of such actual knowledge or written notice, the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent may conclusively assume that there is no Event of Default.

Section 5.02. Acceleration of Maturity; Rescission and Annulment. If an Event of Default should occur and be continuing and notice has been provided of such Event of Default in accordance with Section 5.01 hereof, then and in every such case the Indenture Trustee may, and at the written direction of the Noteholders holding more than a 66 2/3% Percentage Interest in the all Classes of the Notes in the aggregate, shall declare the Notes to be immediately due and payable, by a notice in writing to the Issuer, and upon any such declaration the unpaid Note Amount for each Class of Notes, together with accrued and unpaid interest thereon through the date of acceleration, shall become immediately due and payable.

At any time after such declaration of acceleration of maturity with respect to an Event of Default has been made and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter in this Article V provided, Noteholders representing more than a 66 2/3% Percentage Interest in all Classes of the Notes in the aggregate, by written notice to the Issuer, the Paying Agent, the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) and the Indenture Trustee, may, subject to Section 5.11 hereof, waive the related Event of Default and rescind and annul such declaration and its consequences; provided that no such rescission shall affect any subsequent default or impair any right consequent thereto.

The Indenture Trustee may not sell the Mortgage Loans without the written consent of Noteholders holding a 100% Percentage Interest of the Notes unless the proceeds of such sale are equal to the Optional Termination Price or the Optional Redemption Price, as applicable. The holder of the Trust Certificates or any affiliate will have the right to match any bid for the Mortgage Loans solicited by the Indenture Trustee or its agent and purchase the Mortgage Loans.

Section 5.03. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee.

(a) If an Event of Default shall have occurred and is continuing and if an acceleration has been declared and not rescinded pursuant to Section 5.02 hereof, the Indenture Trustee, subject to the provisions of Section 10.14 hereof, shall at the written direction of the Noteholders representing more than a 66 2/3% Percentage Interest in all Classes of the Notes in the aggregate, or in the absence of such direction, at the written direction and expense of Controlling Holders, subject to Sections 5.04 and 5.05 hereof, proceed to protect and enforce its rights and the rights of the Noteholders by such appropriate Proceedings and to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy or legal or equitable right vested in the Indenture Trustee by this Indenture or by law.

(b) In case there shall be pending, relative to the Issuer or any other obligor upon any Notes or any Person having or claiming an ownership interest in the Trust Estate, Proceedings under Title 11 of the United States Code or any other applicable federal or state bankruptcy, insolvency or other similar law, or in case a receiver, assignee or trustee in bankruptcy or

reorganization, liquidator, sequestrator or similar official shall have been appointed for or taken possession of the Issuer or its property or such other obligor or Person, or in case of any other comparable judicial Proceedings relative to the Issuer or other obligor upon any Notes, or to the creditors or property of the Issuer or such other obligor, the Indenture Trustee, as directed in writing by Holders of a majority Percentage Interest in the Notes in the aggregate (other than with respect to enforcement of its own rights, for which no such direction shall be necessary), irrespective of whether the principal of any Notes shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Indenture Trustee shall have made any demand pursuant to the provisions of this Section 5.03, shall be entitled and empowered, by intervention in such Proceedings or otherwise:

(i) to file and prove a claim or claims for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee (including any claim for reasonable compensation to the Indenture Trustee and each predecessor Indenture Trustee, and their respective agents, attorneys and counsel, and for reimbursement of all expenses and liabilities incurred, and all advances made, by the Indenture Trustee and each predecessor or Indenture Trustee, except as a result of gross negligence, willful misconduct or bad faith) and of the Noteholders allowed in such Proceedings;

(ii) unless prohibited by applicable law and regulations, to vote on behalf of the Holders of the Notes in any election of a trustee, a standby trustee or Person performing similar functions in any such Proceedings;

(iii) to collect and receive any monies or other property payable or deliverable on any such claims and to distribute all amounts received with respect to the claims of the Noteholders and of the Indenture Trustee on their behalf, and

(iv) to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Indenture Trustee or the Holders of the Notes allowed in any judicial proceedings relative to the Issuer, its creditors and its property;

and any trustee, receiver, liquidator, custodian or other similar official in any such Proceeding is hereby authorized by each of the Noteholders to make payments to the Paying Agent on behalf of the Indenture Trustee, and, in the event that the Indenture Trustee shall consent to the making of payments directly to the Noteholders, to pay to the Paying Agent on behalf of the Indenture Trustee such amounts as shall be sufficient to cover reasonable compensation to the Owner Trustee, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Registrar, each predecessor Owner Trustee, each predecessor Indenture Trustee, each predecessor REMIC Administrator, each predecessor Paying Agent, each predecessor Registrar and their respective agents, attorneys and counsel, and all other expenses and liabilities incurred by the Owner Trustee, the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Registrar, each predecessor Owner Trustee, each predecessor Indenture Trustee, each predecessor Paying Agent, and each predecessor Registrar, except as a result of gross negligence, bad faith or willful misconduct on the part of the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Registrar, each predecessor

Indenture Trustee, each predecessor REMIC Administrator, each predecessor Paying Agent, and each predecessor Registrar.

(c) Nothing herein contained shall be deemed to authorize the Indenture Trustee to authorize or consent to or vote for or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding except, as aforesaid, to vote for the election of a trustee in bankruptcy or similar Person.

(d) All rights of action and of asserting claims under this Indenture, or under any of the Notes, may be enforced by the Indenture Trustee without the possession of any of the Notes or the production thereof in any trial or other Proceedings relative thereto, and any such action or proceedings instituted by the Indenture Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment, subject to the payment of the expenses, disbursements and compensation of the Indenture Trustee, the REMIC Administrator, the Paying Agent, the Registrar, each predecessor Indenture Trustee, each predecessor Paying Agent, and each predecessor Registrar and their respective agents and attorneys, shall be for the ratable benefit of the Holders of the Notes, subject to Section 5.05 hereof.

(e) In any Proceedings brought by the Indenture Trustee (and also any Proceedings involving the interpretation of any provision of this Indenture to which the Indenture Trustee shall be a party), the Indenture Trustee shall be held to represent all the Holders of the Notes, and it shall not be necessary to make any Noteholder a party to any such Proceedings.

Section 5.04. Remedies; Priorities. (a) If an Event of Default shall have occurred and be continuing and if an acceleration has been declared and not rescinded pursuant to Section 5.02 hereof, the Indenture Trustee, subject to the provisions of Section 10.14 hereof at the written direction of the Controlling Holder, shall, do one or more of the following (subject to Section 5.05 hereof):

(i) institute Proceedings in its own name and as trustee of an express trust for the collection of all amounts then payable on the Notes or under this Indenture with respect thereto, whether by declaration or otherwise, enforce any judgment obtained, and collect from the Issuer and any other obligor upon the Notes monies adjudged due;

(ii) institute Proceedings from time to time for the complete or partial foreclosure of this Indenture with respect to the Trust Estate;

(iii) exercise any remedies of a secured party under the UCC and take any other appropriate action to protect and enforce the rights and remedies of the Indenture Trustee and the Holders of the Notes;

(iv) subject to Section 5.14 hereof, sell the Trust Estate or any portion thereof or rights or interest therein, at one or more public or private sales called and conducted in any manner permitted by law; and

(v) notify the Servicer of the Event of Default in accordance with Section 5.02 of the Servicing Agreement and exercise any of its rights and remedies under the Servicing Agreement in accordance with written direction of the Controlling Holder.

provided, however, that neither the Indenture Trustee nor the Issuer may sell or otherwise liquidate all of the Trust Estate following an Event of Default, unless the Indenture Trustee or the Issuer, as applicable, obtains the consent of the Noteholders of 100% Percentage Interest of the Notes unless the proceeds of such sale are equal to the Optional Termination Price or the Optional Redemption Price, as applicable. The holders of the Trust Certificate or any Affiliate shall have the right to match any bid for each Mortgage Asset solicited by the Indenture Trustee (or its agent) to purchase such Mortgage Asset. Any sale of the Mortgage Assets, as described above, shall be carried out only in accordance with a “qualified liquidation” of REMIC I and REMIC II as defined under Section 860F of the Code.

(b) If the Paying Agent collects any money or property pursuant to this Article V, it shall pay out the money or property *first*, to itself, the Registrar, the Indenture Trustee, the REMIC Administrator, the Owner Trustee, the Servicer and the Custodian any amount due (including any fees or expenses incurred in connection with a sale under Section 5.14 hereof) and not previously paid pursuant to this Indenture, the Trust Agreement and the other agreements (without regard to the Annual Cap) and *second*, in the order of priority set forth in Section 3.03 hereof.

The Paying Agent may fix a record date and Payment Date, as applicable, for any payment to Noteholders pursuant to this Section 5.04. At least fifteen (15) days before such record date, the Paying Agent shall send to each Noteholder a notice that states the applicable record date, the applicable Payment Date and the amount to be paid.

Section 5.05. Limitation of Suits. No Holder of any Note shall have any right to institute any Proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless and subject to the provisions of Section 10.14 hereof:

(i) such Holder has previously given written notice to the Indenture Trustee of a continuing Event of Default;

(ii) the Controlling Holders have made a written request to the Indenture Trustee to institute such Proceeding in respect of such Event of Default in its own name as Indenture Trustee hereunder;

(iii) such Holder or Holders have offered to the Indenture Trustee indemnity satisfactory to it against the costs, expenses and liabilities to be incurred in complying with such request;

(iv) the Indenture Trustee, for sixty (60) days after its receipt of such notice request and offer of indemnity, has failed to institute such Proceedings; and

(v) no direction inconsistent with such written request has been given to the Indenture Trustee during such sixty (60) day period by the Noteholders representing more than 50% Percentage Interest of the Offered Notes in the aggregate.

It is understood and intended that no one or more Holders of Notes shall have any right in any manner whatever by virtue of, or by availing itself of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes or to obtain or to seek to obtain priority or preference over any other Holders or to enforce any right under this Indenture, except in the manner herein provided.

Section 5.06. Unconditional Rights of Noteholders to Receive Principal and Interest. Notwithstanding any other provisions in this Indenture, the Holder of any Note shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Note on or after the respective due dates thereof expressed in such Note or in this Indenture and to institute suit for the enforcement of any such payment, and such right shall not be impaired without the consent of such Holder.

Section 5.07. Restoration of Rights and Remedies. If the Indenture Trustee or any Noteholder has instituted any Proceeding to enforce any right or remedy under this Indenture and such Proceeding has been discontinued or abandoned for any reason or has been determined adversely to the Indenture Trustee or to such Noteholder, then and in every such case the Issuer, the Indenture Trustee and the Noteholders shall, subject to any determination in such Proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders shall continue as though no such Proceeding had been instituted.

Section 5.08. Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 5.09. Delay or Omission Not a Waiver. No delay or omission of the Indenture Trustee or any Holder of any Note to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article V or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

Section 5.10. Control By Noteholders. The Controlling Holder shall have the right to direct the time, method and place of conducting any Proceeding for any remedy available to the Indenture Trustee with respect to the Notes under this Article V or exercising any trust or power conferred on the Indenture Trustee under this Article V; provided, that:

- (i) such direction shall not be in conflict with any rule of law or with this Indenture;
- (ii) any direction to the Indenture Trustee to sell or liquidate the Trust Estate shall be subject to the express terms of Sections 5.04(a) and 5.14 hereof;

(iii) the Indenture Trustee may take any other action deemed proper by the Indenture Trustee that is not inconsistent with such direction of the Controlling Holder; and

(iv) such direction shall not apply to any defense, remedy, redress or claim the Indenture Trustee may have or may pursue or defend related to the Indenture Trustee's rights, indemnities, immunities, performance, compensation or reimbursement for expenses, disbursements or advances.

Notwithstanding the rights of Noteholders set forth in this Section 5.10 the Indenture Trustee shall not be required to take any action that it determines might involve it in liability.

Section 5.11. Waiver of Past Defaults; Successor Servicer. The Indenture Trustee may, and at the written direction of the Controlling Holder will, waive any default by the Servicer in the performance of its obligations under the Servicing Agreement and its consequences. Upon any such waiver of a past default, such default will cease to exist, and any servicer event of default arising therefrom will be deemed to have been remedied for every purpose of the Servicing Agreement. No such waiver will extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived. Upon any such waiver, any Event of Default arising therefrom shall be deemed to have been cured and not to have occurred for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereto. The Indenture Trustee shall (at the written direction of the Controlling Holder), within ninety (90) days of the Servicer's notice of termination under the Servicing Agreement, appoint a successor servicer, which may be the Back-Up Servicer, having the characteristics set forth in Section 7.03 of the Servicing Agreement, which shall succeed to all rights and assume all of the responsibilities, duties and liabilities of the Servicer under the Servicing Agreement simultaneously with the termination of the Servicer's responsibilities, duties and liabilities under the Servicing Agreement and in accordance with its terms.

Section 5.12. Undertaking for Costs. All parties to this Indenture agree, and each Holder of any Note and each Beneficial Owner of any interest therein by such Holder's or Beneficial Owner's acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken, suffered or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 5.12 shall not apply to (a) any suit instituted by the Indenture Trustee, (b) any suit instituted by any Noteholder, or group of Noteholders, in each case holding more than a 10% Percentage Interest in the Notes in the aggregate, or (c) any suit instituted by any Noteholder for the enforcement of the payment of principal of or interest on any Note on or after the respective due dates expressed in such Note and in this Indenture.

Section 5.13. Waiver of Stay or Extension Laws. The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead or in any manner whatsoever, claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at

any time hereafter in force, that may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it shall not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

Section 5.14. Sale of Trust Estate.

(a) The power to effect any sale or other disposition (a “Sale”) of any portion of the Trust Estate pursuant to Section 5.04 hereof is expressly subject to the provisions of Sections 5.05 and 5.10(ii) hereof and this Section 5.14. The power to effect any such Sale shall not be exhausted by any one or more Sales as to any portion of the Trust Estate remaining unsold, but shall continue unimpaired until the entire Trust Estate shall have been sold or otherwise disposed of or all amounts payable on the Notes and under this Indenture shall have been paid. In effecting such Sale, the Indenture Trustee shall be entitled to hire an agent to conduct such Sale on its behalf, and any costs or expenses of such agent shall be paid in accordance with Section 5.04 hereof and shall not count towards or be limited by the Annual Cap. The Indenture Trustee (or its agent) shall publish a notice in a newspaper published in the English language, customarily published on each Business Day and of general circulation in The City of New York, stating that the Indenture Trustee (or its agent) intends to effect such a Sale in a commercially reasonable manner and on commercially reasonable terms, which shall include the solicitation of competitive bids from at least three (3) of the largest dealers in whole mortgage loans (determined by the Indenture Trustee (or its agent) in its sole discretion). Following such publication, the Indenture Trustee (or its agent) shall, unless otherwise prohibited by applicable law from any such action, sell the Collateral or any part thereof, in such manner and on such terms as provided above to the highest bidder. Five (5) Business Days prior to any such Sale, the Indenture Trustee shall notify the Depositor in writing of the sales price therefor and the Depositor, or one or more Affiliates designated by the Depositor, will have the right to match such price (and may use the Note Amount of any Notes held by the Depositor as credit for any bid it may make) by notifying the Indenture Trustee in writing at least two (2) Business Days prior to the scheduled date of such sale. The Indenture Trustee (or its agent) may from time to time postpone any public Sale by public announcement made at the time and place of such Sale. All costs incurred by the Indenture Trustee (or its agent) in connection with any Sale shall be reimbursed to the Indenture Trustee from amounts on deposit in the Payment Account in accordance with Section 5.04 hereof.

(b) The purchase by the Indenture Trustee of all or any portion of the Trust Estate at a private Sale shall not be deemed a Sale or other disposition thereof for purposes of Section 5.04(a) hereof. The Indenture Trustee shall execute and deliver an appropriate instrument of conveyance, prepared by and at the written direction of the Issuer and satisfactory to the Indenture Trustee, transferring its interest in any portion of the Trust Estate in connection with a Sale thereof. In addition, the Indenture Trustee is hereby irrevocably appointed the agent and attorney-in-fact of the Issuer to transfer and convey its interest in any portion of the Trust Estate in connection with a Sale thereof, and to take all action necessary to effect such Sale.

Section 5.15. Action on Notes.

(a) The Indenture Trustee's right to seek and recover judgment on the Notes or under this Indenture shall not be affected by the seeking, obtaining or application of any other relief under or with respect to this Indenture. Neither the lien of this Indenture nor any rights or remedies of the Indenture Trustee or the Noteholders shall be impaired by the recovery of any judgment by the Indenture Trustee against the Issuer or by the levy of any execution under such judgment upon any portion of the Trust Estate or upon any of the assets of the Issuer. Any money or property collected by the Indenture Trustee or the Paying Agent shall be applied by the Paying Agent in accordance with Section 5.04(b) hereof.

(b) Notwithstanding anything to the contrary in this Indenture or the other Transaction Documents, other than with respect to sales of Eligible NPLs pursuant to the terms of the Servicing Agreement, no sale or other disposition of all or any part of the assets comprising the Trust Estate shall be made unless an Opinion of Counsel is first delivered to the Indenture Trustee, the REMIC Administrator, the Depositor and the Owner Trustee to the effect that no Adverse REMIC Event will arise as a result of such sale or other disposition.

Section 5.16. Optional Preservation of Trust Estate. If the Notes have been declared to be due and payable under Section 5.02 hereof following an Event of Default and such declaration and its consequences have not been rescinded and annulled, the Indenture Trustee may, and at the written direction of the Controlling Holder, shall elect to maintain possession of the Trust Estate (subject to the terms of this Indenture, including Article VIII). It is the intent of the parties hereto and the Noteholders that there be at all times sufficient funds for the payment of principal of and interest on the Notes (although the parties hereto understand that there exists the possibility of a shortfall in collections on the Mortgage Assets), and the Indenture Trustee shall take such intent into account when determining whether or not to maintain possession of the Trust Estate. In determining whether to maintain possession of the Trust Estate, the Indenture Trustee may, but need not, obtain and rely upon an opinion of an Independent investment banking or accounting firm of national reputation as to the feasibility of such proposed action and as to the sufficiency of the Trust Estate for such purpose.

ARTICLE VI

THE INDENTURE TRUSTEE AND THE PAYING AGENT

Section 6.01. Duties of Indenture Trustee and the Paying Agent.

(a) If an Event of Default of which a Responsible Officer of the Indenture Trustee has actual knowledge or has received written notice has occurred and is continuing, except for actions undertaken, or inaction, by the Indenture Trustee at the written direction of the Noteholders where directions of the Noteholders are permitted, the Indenture Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs; provided, however, that the application of the prudent person standard shall not require the Indenture Trustee to perform the duties or obligations of another Person under this Indenture or any Transaction Document.

(b) Each of the Indenture Trustee (except during the continuance of an Event of Default of which the Indenture Trustee has actual knowledge or has received written notice) and the Paying Agent (at all times):

(i) undertakes to perform such duties and only such duties as are specifically assigned to it in this Indenture and the other Transaction Documents to which it is a party and no implied covenants or obligations (including fiduciary duties) shall be read into this Indenture and the other Transaction Documents against it; and

(ii) in the absence of bad faith on its part, may conclusively rely, as to the truth of the statements and the correctness of the calculations or opinions expressed therein, upon certificates, reports, documents, Issuer Requests or other instruments or opinions furnished to such party and conforming to the requirements of this Indenture or the other Transaction Documents; however, it shall examine the certificates, reports, documents, Issuer Requests or other instruments and opinions to determine whether or not they conform on their face to the requirements of this Indenture (it being understood that neither the Indenture Trustee nor the Paying Agent need confirm, recalculate, and/or investigate the accuracy of mathematical or numerical statements).

(c) Neither the Indenture Trustee nor the Paying Agent shall:

(i) have any liability, except for its own grossly negligent action, its own grossly negligent failure to act or its own willful misconduct, except that paragraph does not limit the effect of paragraph (b) of this Section 6.01;

(ii) be liable for any error of judgment made in good faith by a Responsible Officer of such party unless it is proved that the Indenture Trustee or the Paying Agent, as applicable was grossly negligent in ascertaining the pertinent facts; and

(iii) be liable with respect to any action it takes, suffers or omits to take in good faith in accordance with direction received by it from Noteholders representing the requisite Percentage Interest set forth in this Indenture (or if no such Percentage Interest is specified, Noteholders representing a majority Percentage Interest of the Notes in the aggregate), or from the Issuer or from any other party entitled to provide direction pursuant to the Transaction Documents.

(d) Neither the Indenture Trustee nor the Paying Agent shall be liable for interest on any money received by it except as the Indenture Trustee or the Paying Agent may agree in writing with the Issuer.

(e) Money held by the Indenture Trustee or the Paying Agent need not be segregated from other trust funds except to the extent required by law or the terms of this Indenture.

(f) No provision of this Indenture shall require the Indenture Trustee or the Paying Agent to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or indemnity satisfactory to it against such risk or liability is not reasonably assured to it, and none of the provisions contained in this Indenture shall

in any event require the Indenture Trustee or the Paying Agent to perform, or be responsible for the manner of performance of, any of the obligations of the Issuer or the Sponsor under this Indenture except during such time, if any, as the Indenture Trustee or the Paying Agent, as applicable, shall be the successor to, and be vested with the rights, duties, powers and privileges of, the Issuer or the Sponsor in accordance with the terms of this Indenture.

(g) Every provision of this Indenture or any Transaction Document relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee and the Paying Agent shall be subject to the provisions of this Section 6.01 and Section 6.02.

(h) Neither the Indenture Trustee nor the Paying Agent shall be personally liable for (x) special, consequential or punitive damages, however styled, including lost profits, (y) the acts or omissions of any clearing agency or securities depository through which it holds any securities or assets in each case in accordance with the terms of this Indenture or (z) delays, failures or losses due to forces beyond the control of the Indenture Trustee or Paying Agent, including, without limitation, strikes, work stoppages, lockouts, accidents, severe weather, floods, riots, civil or military disturbances or hostilities, acts of war or terrorism, insurrection, revolution, epidemics or pandemics, nuclear or natural catastrophes or acts of God and interruptions, Federal Reserve Bank wire service, any present or future law or regulation or any act of any governmental authority, loss or malfunctions of utilities, communications or computer (software and hardware) services provided to the Indenture Trustee or Paying Agent, as applicable; provided, that the Indenture Trustee uses reasonable efforts consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

(i) Neither the Indenture Trustee nor the Paying Agent shall have any responsibility or liability for or with respect to (i) the legality, validity or enforceability of any collateral document or any Mortgage Loan, (ii) the preparation, filing or accuracy of any financing statement or continuation statement, or (iii) the perfection or priority of any interest of the Indenture Trustee in the Trust Estate, or the monitoring or maintenance of any such perfection or priority.

(j) Neither the Indenture Trustee nor the Paying Agent shall have any responsibility or liability for or with respect to (i) the acquisition or maintenance of any insurance or (ii) the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Collateral.

(k) Any permissive or discretionary right of the Indenture Trustee or the Paying Agent under this Indenture shall not be construed as a duty of the Indenture Trustee or the Paying Agent, as applicable, and neither the Indenture Trustee nor the Paying Agent shall be answerable for other than its own negligence or willful misconduct in the performance or omission of such act as finally determined in a non-appealable decision by a court of competent jurisdiction in the State of New York.

(l) Neither the Indenture Trustee nor the Paying Agent shall be under any obligation to take any action in the performance of its respective duties hereunder that would be in violation of applicable law.

(m) The Indenture Trustee is hereby authorized and directed to execute and deliver the Transaction Documents to which it is a party.

(n) In the event that a Responsible Officer of the Indenture Trustee receives written notice from a Noteholder or any other party to a Transaction Document alleging (i) that a defective or missing Mortgage Loan Document prevents or Materially Delays realization against the related Mortgaged Property through foreclosure or similar loss mitigation activity or (ii) a breach of any representation or warranty set forth in Section 4(a) of Warranty Agreement that materially and adversely affects the interests of the Noteholders in such Mortgage Loan, the Indenture Trustee shall give written notice to the Sponsor and the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) of such claim.

(o) Neither the Indenture Trustee nor the Paying Agent shall have any duty to see to any recording, filing, or depositing of this Indenture or any agreement referred to herein or any financing statement or continuation statement evidencing a security interest, or to see to the maintenance of any such recording or filing or depositing or to any rerecording, refiling or redepositing of any thereof.

Section 6.02. Rights of Indenture Trustee and Paying Agent. (a) Each of the Indenture Trustee and the Paying Agent may rely on and shall be protected in acting or refraining to act upon any Issuer Request, resolution, Officers' Certificate, opinion of counsel, certificate of auditors or any other certificate, statement, instrument, opinion, report (including the Monthly Report and the Payment Report), notice, request, consent, order, appraisal, bond or other paper or any document believed by it to be genuine and to have been signed or presented by the proper person. Neither the Indenture Trustee nor the Paying Agent has any obligations to investigate any fact or matter stated in any such document and may conclusively rely as to the truth of the statements and the correctness of the calculations and opinions expressed therein.

(b) Before the Indenture Trustee or the Paying Agent acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel from the Issuer. Neither the Indenture Trustee nor the Paying Agent shall be liable for any action it takes or omits to take in good faith in reliance on and in accordance with an Officer's Certificate or Opinion of Counsel. Any Opinion of Counsel requested by the Indenture Trustee or the Paying Agent shall be an expense of the Person requesting the Indenture Trustee or the Paying Agent to act or refrain from acting or otherwise may be an expense of the Issuer.

(c) Neither the Indenture Trustee nor the Paying Agent shall be personally liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers under this Indenture.

(d) Each of the Indenture Trustee and the Paying Agent may consult with counsel of its selection, and the written advice or Opinion of Counsel with respect to legal matters relating to this Indenture, the other Transaction Documents and the Notes shall be full and complete authorization and protection from liability in respect to any action taken, omitted or suffered by it hereunder in good faith and in accordance with the written advice or Opinion of Counsel.

(e) Each of the Indenture Trustee and the Paying Agent may, at the expense of the Issuer, execute any of the trusts or powers hereunder or perform any duties or obligations hereunder, either directly or by or through agents, attorneys, custodians or nominees and neither the Indenture Trustee nor the Paying Agent shall be responsible for any misconduct or negligence on the part of any such agent, attorney, custodian or nominee appointed with due care.

(f) Each of the Indenture Trustee and the Paying Agent may consult with accountants and financial advisors of its choice with respect to matters relating to this Indenture, the other Transaction Documents and the Notes and shall be fully protected from liability in respect to any action taken, omitted or suffered by it hereunder in good faith, in the absence of its gross negligence or willful misconduct, and in accordance with the written advice of such accountants or financial advisors.

(g) The Indenture Trustee and the Paying Agent shall not be deemed to have notice or knowledge of any default, Event of Default or any other fact or circumstance (including, but not limited to a servicer event of default or a repurchase request) unless a Responsible Officer of the Indenture Trustee or the Paying Agent has actual knowledge thereof or written notice of any such event that is in fact a Default or Event of Default is received by the Indenture Trustee at its Corporate Trust Office and such notice references the Notes generally, the Issuer, or this Indenture and specifies the relevant event, facts and circumstances. For purposes of any determination as to whether the Indenture Trustee and the Paying Agent shall be deemed to have knowledge of any of the foregoing events, the Indenture Trustee and the Paying Agent shall have no obligation to inquire into, or investigate as to, the occurrence of any such event. In the absence of receipt of such notice or actual knowledge, the Indenture Trustee and the Paying Agent may assume there is no Default or Event of Default.

(h) The Indenture Trustee, the Paying Agent or their Affiliates are permitted to receive additional compensation that could be deemed to be in the Indenture Trustee's or the Paying Agent's economic self-interest for (i) serving as investment adviser, administrator, shareholder servicing agent, custodian or sub-custodian with respect to certain investments of amounts in Eligible Accounts, (ii) using Affiliates to effect transactions in certain investments of amounts in Eligible Accounts and (iii) effecting transactions in certain investments of amounts in Eligible Accounts. Such compensation shall not be considered an amount that is reimbursable or payable to the Indenture Trustee or the Paying Agent (i) as part of the compensation.

(i) The Indenture Trustee and the Paying Agent shall not be required to take any action under this Indenture or any related document if taking such action (i) would subject the Indenture Trustee and the Paying Agent to tax in any jurisdiction where it is not then subject to tax or (ii) would require the Indenture Trustee to qualify to do business in any jurisdiction where it is not then so qualified; provided that, if in the reasonable opinion of the Indenture Trustee and the Paying Agent (which may be based on the advice or opinion of counsel) any action under this Indenture results in the consequences described in clauses (i) or (ii) above, the Indenture Trustee may or, if instructed to do so by the Administrator, shall appoint an additional trustee to proceed with such action.

(j) The Indenture Trustee and the Paying Agent shall be fully justified in failing or refusing to take any action under this Indenture or any other Transaction Document, unless it has

been offered reasonable security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities incurred thereby, if such action (i) would, in the reasonable opinion of the Indenture Trustee and the Paying Agent (which may be based on the advice or opinion of counsel), be contrary to applicable law, this Indenture or any other related document, (ii) is not provided for in this Indenture or any other Transaction Document or (iii) subject the Indenture Trustee and the Paying Agent to personal liability.

(k) Except for those actions that the Indenture Trustee or the Paying Agent is expressly required to take hereunder without written direction, neither the Indenture Trustee nor the Paying Agent shall have any obligation or liability to take any action or to refrain from taking any action hereunder that requires written direction in the absence of such written direction as provided hereunder.

(l) Neither the Indenture Trustee nor the Paying Agent shall be under any obligation to (i) exercise any of the trusts or powers vested in it by this Indenture, other than its obligation to give notices pursuant to this Indenture, (ii) institute, conduct, defend or otherwise participate in any litigation or other legal proceeding hereunder or in relation hereto at the request, order or direction of any of the Noteholders pursuant to the provisions of this Indenture, (iii) undertake an investigation of any party to any Transaction Document, unless, in each case under (i), (ii) and (iii) such Noteholders or the Sponsor shall have offered to the Indenture Trustee or the Paying Agent reasonable security or indemnity reasonably satisfactory to the Indenture Trustee or the Paying Agent, as applicable, against the costs, expenses and liabilities which may be incurred therein or thereby, or (iv) monitor or supervise the Servicer. Nothing contained herein shall, however, relieve the Indenture Trustee of the obligation, upon the occurrence of an Event of Default of which a Responsible Officer of the Indenture Trustee has actual knowledge (which has not been cured or waived), to exercise such of the rights and powers vested in it by this Indenture and to use the same degree of care and skill in their exercise as a prudent person would exercise under the circumstances in the conduct of his own affairs.

(m) Neither the Indenture Trustee nor the Paying Agent shall be bound to make any investigation into (i) the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval, bond or other paper or document, or (ii) the performance by any party to any Transaction Document of its obligations or the exercise of its rights, unless, in each case, requested in writing to do so by Holders of Notes representing not less than a 25% Percentage Interest in the Notes (other than the Class XS Notes), and provided that the payment within a reasonable time to the Indenture Trustee or the Paying Agent, as applicable, of the costs, expenses or liabilities likely to be incurred by it in the making of such investigation is, in the opinion of the Indenture Trustee or the Paying Agent, reasonably assured to the Indenture Trustee or the Paying Agent by the security afforded to it by the terms of this Indenture. The Indenture Trustee or the Paying Agent may require reasonable indemnity reasonably satisfactory to the Indenture Trustee or the Paying Agent against such expense or liability as a condition to taking any such action. The reasonable expense of every such examination shall be paid by the Noteholders requesting the investigation.

(n) Should the Indenture Trustee or the Paying Agent deem the nature of any action required on its part to be unclear, the Indenture Trustee or the Paying Agent may require prior to such action that it be provided by the Issuer or Holders of Notes representing not less than a 51%

Percentage Interest in the Notes in the aggregate, with reasonable further instructions, upon which instructions the Indenture Trustee or the Paying Agent may conclusively rely.

(o) None of the Indenture Trustee, the Paying Agent or the Issuer shall be responsible for the acts or omissions of the other or any other party to any Transaction Document, it being understood that this Indenture shall not be construed to render them partners, joint venturers or agents of one another.

(p) Neither the Indenture Trustee nor the Paying Agent shall be required to give any bond or surety with respect to the execution of the trust created hereby or the powers granted hereunder.

(q) Neither the Indenture Trustee nor the Paying Agent shall have any duty to conduct any affirmative investigation as to the occurrence of any condition requiring the payment of the Repurchase Price for purposes of this Indenture.

(r) Other than with respect to any information that the Indenture Trustee or the Paying Agent has an express duty hereunder to review, neither the Paying Agent nor the Indenture Trustee, as applicable, shall be deemed to have knowledge of any fact or matter for purposes of this Indenture unless a Responsible Officer of the Paying Agent or the Indenture Trustee, respectively, (i) has actual knowledge thereof or (ii) receives written notice with respect thereto.

(s) Neither the Indenture Trustee nor the Paying Agent shall have any duty (A) to see to any insurance, (B) to see to the payment or discharge of any tax, assessment, or other governmental charge or any lien or encumbrance of any kind owing with respect to, assessed or levied against, any part of the Trust Estate other than as expressly provided herein, or (C) to confirm or verify the contents of any reports or certificates of the Servicer delivered to the Indenture Trustee or the Paying Agent pursuant to this Indenture believed by the Indenture Trustee or the Paying Agent, as applicable, to be genuine and to have been signed or presented by the proper party or parties.

(t) In the event that BNY is also acting in the capacity of Paying Agent, REMIC Administrator, Registrar, Trust Registrar, 17g-5 Information Provider or Securities Intermediary hereunder or under any Transaction Document, the rights, protections, immunities and indemnities afforded to the Indenture Trustee or Paying Agent pursuant to this Article VI shall also be afforded to BNY acting in such capacities hereunder and thereunder as if set forth *mutatis mutandis*.

(u) To help the government fight the funding of terrorism and money laundering activities, the Applicable Anti-Money Laundering Law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. Accordingly, in order to comply with Applicable Anti-Money Laundering Law, the Indenture Trustee and the Paying Agent is required to obtain from the Issuer on or before closing and from time to time thereafter documentation to verify and record information that identifies each person who opens an account. For a non-individual person such as a business entity, a charity, a trust or other legal entity, the Indenture Trustee and Paying Agent will ask for documentation to verify its formation and existence as a legal entity, financial statements, licenses, tax identification documents, and identification and authorization documents from individuals claiming authority to represent the

entity and other relevant documentation and information (including beneficial owners of such entities). The Indenture Trustee and Paying Agent may, to the fullest extent permitted by Applicable Law, including Applicable Anti-Money Laundering Law, conclusively rely on, and shall be fully protected and indemnified in relying on, any information received, and failure to provide such information may result in an inability of the Indenture Trustee and Paying Agent to perform its obligations hereunder which, at the sole option of the Indenture Trustee or Paying Agent, may result in the resignation of the Indenture Trustee or Paying Agent, as applicable, pursuant to the terms of this Indenture.

(v) The Indenture Trustee and the Paying Agent may accept and reasonably rely on all accounting, records and work of any duly authorized Person without audit, and the Indenture Trustee and the Paying Agent shall have no liability for the acts or omissions of any such Person. If any error, inaccuracy or omission (collectively “Errors”) exist in any information received, and such Errors should cause or materially contribute to the Indenture Trustee making or continuing any Error (collectively, “Continued Errors”), the Indenture Trustee shall have no liability for such Continued Errors.

(w) If at any time the Indenture Trustee and the Paying Agent is served with any arbitral, judicial or administrative order, judgment, award, decree, writ or other form of arbitral, judicial or administrative process which in any way affects this Indenture, the Notes, the Collateral or any part thereof or funds held by it (including, but not limited to, orders of attachment or garnishment or other forms of levies or injunctions), it shall be authorized to comply therewith in any reasonable manner as it or its legal counsel deems appropriate.

(x) Neither the Indenture Trustee nor the Paying Agent shall be liable for any error of judgment made in good faith by a Responsible Officer or other officers of the Indenture Trustee or the Paying Agent, as applicable, unless it shall be conclusively determined by the final judgment of a court of competent jurisdiction in the State of New York, no longer subject to appeal or review, that the Indenture Trustee or the Paying Agent, as applicable, was negligent in ascertaining the pertinent facts.

(y) Neither the Indenture Trustee nor the Paying Agent shall be liable with respect to any action taken, suffered or omitted to be taken by it in good faith in accordance with this Indenture or at the direction of the Issuer, the Sponsor or the requisite number of Holders, as the case may be, relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee or the Paying Agent, as applicable, or exercising or omitting to exercise any trust or power conferred upon the Indenture Trustee or the Paying Agent, as applicable, under this Indenture.

(z) Anything in this Indenture to the contrary notwithstanding, neither the Indenture Trustee nor the Paying Agent shall be liable for special, indirect, incidental, exemplary, punitive or consequential loss, expense or damage of any kind whatsoever (including but not limited to lost profits), whether or not any such losses, expenses or damages were foreseeable or contemplated, even if the Indenture Trustee or the Paying Agent, as applicable, has been advised of the likelihood of such loss, expense or damage and regardless of the form of action.

(aa) In no case shall the Indenture Trustee or the Paying Agent have any obligations with respect to for any errors or omissions related to financial information or disbursements brought to its attention ninety days or more after the Holders' receipt of the same. In such instance the Indenture Trustee's or the Paying Agent's, as applicable, only responsibility shall be to act at the direction and expense of the requisite percentage of Holders entitled to direct the Indenture Trustee or the Paying Agent, as applicable.

(bb) The rights, privileges, protections, exculpations, immunities, indemnities and benefits provided to the Indenture Trustee hereunder (including but not limited to its right to be indemnified) are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder (including but not limited to as the Paying Agent, the Registrar and the REMIC Administrator) and to each of its Responsible Officers and other Persons duly employed by the Indenture Trustee in any of its capacities hereunder as if they were each expressly set forth herein for the benefit of the Indenture Trustee in each such capacity, Responsible Officers or employees *mutatis mutandis*.

(cc) The Indenture Trustee shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Indenture and the other Transaction Documents and delivered using Electronic Means; provided, however, that the Issuer and any other Person entitled to give Instructions to the Indenture Trustee or the Paying Agent ("Authorized Instructors"; each an "Authorized Instructor"), as applicable, shall provide to the Indenture Trustee an incumbency certificate listing officers with the authority to provide such Instructions ("Instructing Officers") and containing specimen signatures of such Instructing Officers, which incumbency certificate shall be amended by the Issuer or the Authorized Instructor, as applicable, whenever a person is to be added or deleted from the listing. If the Issuer or the Authorized Instructor, as applicable, elects to give the Indenture Trustee Instructions using Electronic Means and the Indenture Trustee in its discretion elects to act upon such Instructions, the Indenture Trustee's understanding of such Instructions shall be deemed controlling. The Issuer and the Authorized Instructor understand and agree that the Indenture Trustee cannot determine the identity of the actual sender of such Instructions and that the Indenture Trustee shall conclusively presume that directions that purport to have been sent by an Instructing Officer listed on the incumbency certificate provided to the Indenture Trustee have been sent by such Instructing Officer. The Issuer and the Authorized Instructor shall be responsible for ensuring that only Instructing Officers transmit such Instructions to the Indenture Trustee and that the Issuer, the Authorized Instructor and all Instructing Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Issuer and/or the Authorized Instructor, as applicable. The Indenture Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Indenture Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Issuer and the Authorized Instructor agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Indenture Trustee, including without limitation the risk of the Indenture Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Indenture Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Issuer and/or the Authorized Instructor, as applicable; (iii) that the security procedures (if any) to be followed in connection

with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Indenture Trustee immediately upon learning of any compromise or unauthorized use of the security procedures.

(dd) Individual Rights of Indenture Trustee and Paying Agent.

The Indenture Trustee or the Paying Agent in its individual or any other capacity may become the owner or pledgee of Notes and may otherwise deal with the Issuer or its Affiliates with the same rights it would have if it were not Indenture Trustee or Paying Agent, as applicable. Any Registrar, co-registrar or co-paying agent may do the same with like rights. However, the Indenture Trustee must comply with Section 6.11 hereof.

Section 6.03. Indenture Trustee's and Paying Agent's Disclaimer.

Neither the Indenture Trustee nor the Paying Agent shall be responsible for and neither makes any representation as to the validity, sufficiency or adequacy of this Indenture, the Collateral, the Notes or any other Transaction Document, neither party shall be accountable for the Issuer's use of the proceeds from the Notes, and neither party shall be responsible for any statement of the Issuer (including any recitals) in this Indenture or in any document issued in connection with the sale of the Notes or in the Notes other than the Registrar's responsibility with respect to its certificate of authentication.

Section 6.04. Notice of Event of Default. Subject to Section 5.01 hereof, the Indenture Trustee shall promptly mail to the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) and each Noteholder notice of an Event of Default after a Responsible Officer of the Indenture Trustee has actual knowledge thereof or written notice of such Event of Default is received by a Responsible Officer of the Indenture Trustee and such notice references the Notes, the Trust Estate or this Indenture, unless such Event of Default shall have been waived or cured. Except in the case of an Event of Default in payment of principal of or interest on any Note, the Indenture Trustee may withhold the notice if and so long as it determines in good faith that withholding the notice is in the best interests of the Noteholders.

Section 6.05. Reports to Holders and Tax Administration.

The Paying Agent shall prepare or cause to be prepared, and file or cause to be filed with the Internal Revenue Service and deliver or cause to be delivered to each Noteholder such information and reports as may be required by the Code, Treasury Regulations and any applicable state or local income or franchise tax law and such other customary information as it or the Paying Agent may determine and/or be required by the Internal Revenue Service or by a U.S. federal or state income or franchise tax law or rules or regulations to enable such holder to prepare its federal and state income or franchise tax returns; provided, that any such information needed not in the possession of the Paying Agent or otherwise readily available to the Paying Agent, shall be provided to the Paying Agent by the Depositor (to the extent reasonably available to the Depositor) upon request therefor by the Paying Agent. In addition, if the Depositor is aware of any transaction among the holders of any Class of Offered Notes or either REMIC residual interest with the holder of any other Class of Offered Notes or REMIC residual interest that could impact the issue price,

for tax purposes, of the REMIC regular interest represented by the Offered Note, the Depositor shall inform the Paying Agent and the Paying Agent shall take such information into account in preparing (or causing to be prepared) the affected tax returns and reports.

Section 6.06. Indemnification and Compensation. The Indenture Trustee, Paying Agent, REMIC Administrator, and Registrar shall be entitled to the Indenture Trustee and Paying Agent Fee and REMIC Administrator Fee. In addition, subject to the Annual Cap, each of the Paying Agent, the Registrar, the REMIC Administrator, and the Indenture Trustee, each in its individual capacity and in its capacity as Paying Agent, the Registrar, the REMIC Administrator, and Indenture Trustee, respectively, and each of its representative directors, officers, employees and agents, shall be indemnified and held harmless by the Issuer, and entitled to recover from the Payment Account pursuant to this Indenture, all reasonable out-of-pocket losses, liabilities, damages, costs or expenses (including, without limitation, any legal fees and expenses and including any legal fees and expenses incurred in connection with enforcement of indemnification rights hereunder), incurred or expended by it or them in connection with (i) investigating, preparing for, defending itself or themselves against or prosecuting for itself or themselves or for the sake of the Trust Estate any legal proceeding, whether pending or threatened, that is related directly or indirectly in any way to the Trust Estate, the Transaction Documents, other assets of the Trust Estate, or the Notes (including without limitation the initial offering, any secondary trading and any transfer and exchange of the Notes), (ii) the acceptance or administration of the trusts created hereunder or under any other Transaction Document, (iii) pursuing enforcement (including by means of any action, claim or suit brought by the Paying Agent, the Registrar, the REMIC Administrator, or Indenture Trustee for such purpose) of any indemnification or other obligation of the Issuer (the indemnification afforded under this clause (iii) to include, without limitation, any reasonable legal fees, costs and expenses incurred by the Paying Agent, the Registrar, the REMIC Administrator, and Indenture Trustee in connection therewith) and (iv) the performance of its or their duties and responsibilities, and the exercise or lack of exercise of any or all of its or their powers, rights or privileges hereunder or under any other Transaction Document, including without limitation (A) complying with any new or updated law or regulation in any way related to or affecting the transactions contemplated under any Transaction Document or any party to any Transaction Document, and (B) addressing any bankruptcy in any way related to or affecting the transactions contemplated under any Transaction Document or any party to any Transaction Document, including with respect to this clause (B), as applicable, all costs incurred in connection with the use of default specialists within or outside BNY (in the case of BNY personnel, such costs to be calculated using standard market rates), except, in the case of each of the foregoing, any such claim, loss, liability, damage, cost or expense as may arise from its own gross negligence, bad faith or willful misconduct (as agreed to by such party or as otherwise determined by a court of competent jurisdiction) or the payment of which is expressly made the responsibility of the Noteholders herein. Such compensation and reimbursement obligation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust.

The Issuer's payment obligations to the Indenture Trustee, the Paying Agent, the REMIC Administrator, and the Registrar pursuant to this Section 6.06 shall survive the discharge or assignment of this Indenture and the termination or resignation of such party, as applicable. When the Indenture Trustee, the Paying Agent, the REMIC Administrator, or the Registrar incurs expenses after the occurrence of clause (iv) or (v) of the definition of "Event of Default" with

respect to the Issuer, the expenses are intended to constitute expenses of administration under Title 11 of the United States Code or any similar provision of any other applicable federal or state bankruptcy, insolvency or similar law.

The rights and indemnity afforded to the Indenture Trustee, the Registrar, the REMIC Administrator, and the Paying Agent under this Section 6.06 apply, *mutatis mutandis*, to the Securities Intermediary, subject to the Annual Cap.

With respect to any third party claim: (i) the Indenture Trustee and the Paying Agent, as applicable, shall give the Issuer and the Noteholders written notice thereof promptly after the Indenture Trustee or the Paying Agent, as applicable has knowledge thereof and (ii) the Indenture Trustee and the Paying Agent, as applicable will be required to cooperate and consult fully with the Issuer in preparing such defense, but the Indenture Trustee or the Paying Agent, as applicable, will be entitled to its own counsel at the expense of the Issuer.

Section 6.07. Replacement of Indenture Trustee, REMIC Administrator, or Paying Agent. The Indenture Trustee, Registrar, REMIC Administrator, and the Paying Agent may each resign at any time by providing thirty (30) days advance written notice to the Issuer. No resignation or removal of the Indenture Trustee, Registrar, REMIC Administrator, or the Paying Agent and no appointment of a successor indenture trustee, registrar, REMIC Administrator, or paying agent shall become effective until the acceptance of appointment by the successor indenture trustee, registrar, REMIC Administrator, or paying agent, as the case may be, pursuant to this Section 6.08 and payment of all outstanding fees, expenses and indemnities of the Indenture Trustee, Registrar, REMIC Administrator, or the Paying Agent. Any resignation or removal of the Paying Agent hereunder shall automatically result in the removal of the Registrar hereunder, and vice versa, without the need for delivery of any notice thereof. Holders of a majority Percentage Interest in the Notes in the aggregate may remove the Indenture Trustee or the Paying Agent by providing thirty (30) days advance written notice thereto and may appoint a successor indenture trustee or paying agent, as the case may be. The Issuer shall remove the Indenture Trustee or the Paying Agent if:

- (i) the Indenture Trustee or the Paying Agent fails to comply with or qualify pursuant to the provisions of Section 6.10 hereof;
- (ii) the Indenture Trustee or Paying Agent is adjudged a bankrupt or insolvent;
- (iii) a receiver or other public officer takes charge of the Indenture Trustee, the Paying Agent or their respective property; or
- (iv) the Indenture Trustee or Paying Agent otherwise becomes incapable of acting.

If the Indenture Trustee, REMIC Administrator or the Paying Agent resigns or is removed or if a vacancy exists in the office of the Indenture Trustee, REMIC Administrator or the Paying Agent for any reason (the Indenture Trustee, REMIC Administrator, or Paying Agent in such event being referred to herein as the retiring Indenture Trustee, REMIC Administrator or retiring Paying Agent), the Issuer shall promptly appoint a successor indenture trustee, REMIC administrator or paying agent, as the case may be.

Each successor indenture trustee, successor REMIC administrator or successor paying agent shall deliver a written acceptance of its appointment to the retiring Indenture Trustee or retiring Paying Agent, as the case may be, and the other parties to this Indenture and the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein). Thereupon, the resignation or removal of the retiring Indenture Trustee, retiring REMIC administrator or retiring Paying Agent, as applicable, shall become effective, and the successor indenture trustee, successor REMIC Administrator or successor paying agent shall have all the rights, powers and duties of the Indenture Trustee, REMIC Administrator or Paying Agent, as the case may be, under this Indenture. The successor indenture trustee, successor REMIC Administrator or successor paying agent shall mail a notice of its succession to Noteholders and the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein). Upon payment of all outstanding fees, expenses and indemnities, the retiring Indenture Trustee, retiring REMIC Administrator or retiring Paying Agent shall promptly transfer all property held by it as Indenture Trustee, REMIC Administrator or Paying Agent to the successor indenture trustee or successor paying agent, as applicable.

If a successor Paying Agent, successor REMIC administrator or successor Indenture Trustee does not take office within sixty (60) days after the Paying Agent, REMIC Administrator or Indenture Trustee is removed, the Issuer or the Controlling Holders may petition any court of competent jurisdiction for the appointment of a successor Paying Agent, successor REMIC Administrator, or successor Indenture Trustee. The costs and expenses in connection with such petition will be the sole responsibility of the Issuer.

If the Issuer, after reasonable effort, is unable to appoint a successor Paying Agent, REMIC administrator, or successor Indenture Trustee within sixty (60) days after notice of resignation is given by the Paying Agent, REMIC Administrator or Indenture Trustee, as applicable, any of the resigning Paying Agent, resigning REMIC Administrator or the resigning Indenture Trustee, the Depositor or the Noteholders representing a majority Percentage Interest in the aggregate may petition any court of competent jurisdiction for appointment of a successor Paying Agent, REMIC Administrator or successor Indenture Trustee. The costs and expenses in connection with such petition will be the sole responsibility of the Issuer.

Notwithstanding the replacement of the Indenture Trustee, REMIC Administrator or the Paying Agent pursuant to this Section 6.07, the Issuer's obligations under Section 6.06 hereof shall continue for the benefit of the retiring Indenture Trustee (including in its capacity as Registrar), REMIC Administrator or retiring Paying Agent, as the case may be.

Section 6.08. Successor Indenture Trustee or Paying Agent by Merger. If the Indenture Trustee, Registrar, REMIC Administrator, or the Paying Agent consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business or assets to, another corporation or banking association, the resulting, surviving or transferee corporation, without any further act, shall be the successor indenture trustee, successor paying agent, successor registrar, or successor REMIC Administrator, as the case may be; provided, that such corporation or banking association shall be otherwise qualified and eligible under Section 6.10 hereof, if applicable. The resulting Indenture Trustee, Registrar, REMIC Administrator, or the Paying Agent shall provide the Issuer, the Indenture Trustee or Paying Agent, the Registrar, the 17g-5 Information Provider

(which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) and the Noteholders with prompt written notice after such merger, conversion or transfer.

Section 6.09. Appointment of Co-Indenture Trustee or Separate Indenture Trustee. (a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirement of any jurisdiction in which any part of the Trust Estate may at the time be located, the Indenture Trustee shall have the power and may execute and deliver all instruments to appoint one or more Persons to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Estate, or any part hereof, and, subject to the other provisions of this Section 6.09, such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under Section 6.11 hereof.

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no separate trustee or co-trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. (c) The reports set out in subsections (a)(i) and (ii) above will be published or made otherwise available by the Issuer on the website of the EU/UK Risk Retention Reporting Agent.

(d) The documents and information set out in subsections (a)(iii) and (iv) above will be published or made otherwise available by the Issuer on the website of the Paying Agent.

(e) In addition to the foregoing, the Issuer hereby undertakes to make available, subject and to the extent permissible under all applicable laws, to each Institutional Investor such additional information as is in the Issuer’s possession or reasonably obtainable (as determined by the Issuer) by the Issuer, as may reasonably be required to enable such Institutional Investor to satisfy SECN 4 and Article 5 of Chapter 2 of the PRASR and Article 5 of the EU Securitisation Regulation (together the “Due Diligence Requirements”), provided that the Issuer will not be liable to any Institutional Investor if the information that the Issuer is required to provide in accordance with the Indenture is insufficient to enable any Institutional Investor to comply with its applicable Due Diligence Requirements under the Securitisation Rules or fails to provide such information in accordance with the format and templates required by the applicable Securitisation Rules and provided further that the Issuer will not be in breach of the requirements of this paragraph if, due to events, actions or circumstances beyond its control, it is not able to comply with such undertaking and the Issuer is only required to comply with such undertaking to the extent that the

disclosure requirements under SECN 6 and Article 7 of Chapter 2 of the PRASR and Article 7 of the EU Securitisation Regulation remain in effect.

Except as otherwise expressly provided herein, the Indenture Trustee or the Paying Agent may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance of any fiscal agent or other intermediary, all money and other property payable to or receivable by the Indenture Trustee or the Paying Agent pursuant to this Indenture. The Indenture Trustee or the Paying Agent, as applicable, shall apply all such money received by it as provided in this Indenture. Except as otherwise expressly provided in this Indenture, if any default occurs in the making of any payment or performance under any agreement or instrument that is part of the Trust Estate, the Indenture Trustee or the Paying Agent may take such action as may be appropriate to enforce such payment or performance, including the institution and prosecution of appropriate Proceedings. Any such action shall be without prejudice to any right to claim a default or Event of Default under this Indenture and any right to proceed thereafter as provided in Article V.

Section 8.02. [RESERVED]

Section 8.03. Release of Trust Estate. (a) Subject to the payment of its fees, expenses and indemnity amounts (including the fees, expenses and indemnity amounts of the Owner Trustee, the Custodian, the Paying Agent, the REMIC Administrator, the Trust Registrar and the Registrar), the Indenture Trustee may, and when required by the provisions of this Indenture shall, execute instruments to release property from the lien of this Indenture, or convey the Indenture Trustee's interest in the same, in a manner and under circumstances that are not inconsistent with the provisions of this Indenture. No party relying upon an instrument executed by the Indenture Trustee as provided in Article VIII hereunder shall be bound to ascertain the Indenture Trustee's authority, inquire into the satisfaction of any conditions precedent, or see to the application of any monies.

(b) The Indenture Trustee shall, subject to Section 4.10 hereof, at such time as (i) there are no Notes Outstanding and (ii) all sums then due and unpaid to the Indenture Trustee, the Paying Agent, the Registrar, the Custodian, the Owner Trustee, the Trust Registrar and the Servicer pursuant to this Indenture have been paid, release any remaining portion of the Trust Estate that secured the Notes from the lien of this Indenture.

(c) The Indenture Trustee shall release property from the lien of this Indenture pursuant to this Section 8.03 only upon receipt of an Issuer Request; provided however that, pursuant to Section 2.05(b)(ii) of the Servicing Agreement, the Indenture Trustee shall release the related Eligible NPLs at the written direction of the Servicer.

Section 8.04. Surrender of Notes Upon Final Payment. In connection with the distribution of final payment on any Note, (i) the related Noteholder shall not be required to

surrender its Note to the Registrar prior to such Noteholder's receipt of final payment thereon, and (ii) such Note shall be deemed cancelled upon distribution of final payment thereon without further action by any party.

Section 8.05. Optional Termination.

(a) On or after the earlier of (i) the Payment Date on which the Note Amount of the Class A Notes is reduced to zero and (ii) the Payment Date on which the aggregate Principal Balance of the Mortgage Loans and any REO Properties is less than or equal to 25% of the aggregate Principal Balance of the Mortgage Loans and any REO Properties as of the Cut-Off Date (the "Optional Termination Date"), the Depositor may, at its option, purchase all of the Mortgage Loans and REO Properties (an "Optional Termination") at an aggregate purchase price equal to the sum of (X) the greater of (a) the sum of (i) the aggregate Principal Balance of the Mortgage Loans that are less than ninety (90) days delinquent under the MBA Method (excluding any REO Properties), plus accrued and unpaid interest thereon, (ii) the fair market value of all Mortgage Loans that are ninety (90) or more days delinquent under the MBA Method and (iii) the fair market value of each REO Property immediately prior to the date of such purchase as determined by the Depositor in its sole good faith discretion taking into account customary factors, less any estimated liquidation expenses, and (b) the sum of (i) the aggregate Note Amount of the Notes and (ii) any accrued and unpaid interest thereon at the applicable Interest Rate for the Accrual Period related to such Optional Termination Date (including any Interest Carryforward Amounts and any Net WAC Shortfalls, in each case, for each Class of WAC Cap Notes, if any) and (Y) with respect to each of the foregoing clauses (X)(a) and (b), (i) any unpaid Servicing Advances and Net Draws and (ii) any fees, expenses, indemnification amounts and unpaid Extraordinary Trust Expenses or other reimbursements owed to the Servicer, the Indenture Trustee, the Paying Agent, the Owner Trustee, the Controlling Holder, the Loan Data Agent, the Back-Up Servicer, the Administrator, the REMIC Administrator, the Trust Registrar, the Registrar and the Custodian, without regard to the Annual Cap (the "Optional Termination Price"). Any Optional Termination will be conducted concurrently with a "qualified liquidation" (as defined under Section 860F of the Code) of each Trust REMIC.

(b) Subject to the requirements of the Transaction Documents and, if applicable, any financing arrangement, any person (including the Depositor, a Noteholder or Certificateholder) having the right to exercise the Optional Termination may sell, transfer, convey, assign or otherwise pledge such right to a third party, which right must be exercised by such third party in accordance with the Transaction Documents. Any person to whom the right to exercise the Optional Termination is assigned will be prohibited from further assigning any portion of such rights without prior notice to the Paying Agent and the prior written consent of the Depositor in its sole discretion.

(c) On any Payment Date on which the aggregate Principal Balance of the Mortgage Loans and any REO Properties is less than or equal to 10% of the aggregate Principal Balance of the Mortgage Loans and any REO Properties as of the Cut-Off Date (the "Optional Redemption Date"), the Servicer may, at its option, purchase all of the Mortgage Loans and REO Properties (an "Optional Redemption") at an aggregate purchase price equal to the sum of (X) the greater of (a) the sum of (i) the aggregate Principal Balance of the Mortgage Loans that are less than ninety (90) days delinquent under the MBA methodology of measuring delinquency (excluding any REO

properties), plus accrued and unpaid interest thereon, (ii) the fair market value of all Mortgage Loans that are ninety (90) or more days delinquent under the MBA methodology of measuring delinquency and (iii) the fair market value of each REO property immediately prior to the date of such purchase as determined by the Servicer in its sole good faith discretion taking into account customary factors, less any estimated liquidation expenses, and (b) the sum of (i) the aggregate Note Amount of the Notes and (ii) any accrued and unpaid interest thereon at the applicable Interest Rate for the Accrual Period related to such Optional Redemption Date (including any Interest Carryforward Amounts and any Net WAC Shortfalls, in each case for each class of WAC Cap Notes, if any) and (Y) with respect to each of the foregoing clauses (X)(a) and (b), (i) any unpaid Servicing Advances and Net Draws and (ii) any fees, expenses, indemnification amounts and unpaid Extraordinary Trust Expenses or other reimbursements owed to the Servicer, the Indenture Trustee, the Paying Agent, the Owner Trustee, the Controlling Holder, the Loan Data Agent, the Back-Up Servicer, the Subservicer, the Administrator, the REMIC Administrator, the Trust Registrar, the Registrar and the Custodian, without regard to the Annual Cap (the “Optional Redemption Price”). Any Optional Redemption will be conducted concurrently with and only as a part of a “qualified liquidation” (as defined under Section 860F of the Code) of each Trust REMIC.

(d) In order to exercise the Optional Termination right set forth in Section 8.05(a) or the Optional Redemption right set forth in Section 8.05(c) hereof, the Depositor or the Servicer, as applicable, shall provide written notice of its exercise of such option to the Indenture Trustee, the Registrar, the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agencies in accordance with Section 7.05 herein) and the Paying Agent at least five (5) days prior to its exercise. Following receipt of such notice, the Paying Agent shall provide written notice to the Noteholders of the final payment on the Notes on the Optional Termination Date or the Optional Redemption Date, as applicable. Such notice shall to the extent practicable be mailed no later than one (1) Business Day prior to the Optional Termination Date or the Optional Redemption Date, as applicable, and shall specify that payment of the principal amount and any interest due with respect to such Note shall be payable at the Optional Termination Date or the Optional Redemption Date, as applicable; provided, however, the Depositor or the Servicer, as applicable, shall have the right to rescind its notice of its election to exercise the Optional Termination right or the Optional Redemption right, as applicable, as the case may be, to the Paying Agent at any time so long as the Paying Agent has not provided such notice to the applicable Noteholders. No interest shall accrue on the Notes on or after the Optional Termination Date or the Optional Redemption Date, as applicable, the Stated Final Maturity Date or any such other final Payment Date. In addition, (x) the Depositor (or its assignee) shall, on or before the Optional Termination Date on which such redemption is to be made, deposit the Optional Termination Price with the Paying Agent, who shall deposit such amount into the Payment Account and (y) the Servicer shall, on or before the Optional Redemption Date on which such redemption is to be made, deposit the Optional Redemption Price with the Paying Agent, who shall deposit such amount into the Payment Account. On the Optional Termination Date or the Optional Redemption Date, as applicable, following receipt of the Optional Termination Price or the Optional Redemption Price, as applicable, the Paying Agent shall apply the Optional Termination Price or the Optional Redemption Price, as applicable, based solely on and consistent with instructions provided by the Administrator which shall be substantially in the form of the Monthly Report or in such other form as the Paying Agent deems acceptable, first, to make payment to the Indenture Trustee, the Paying Agent, the REMIC Administrator, the Registrar, the Trust Registrar, the Custodian, the Servicer

and the Owner Trustee, all amounts owing to such parties under the Transaction Documents, and second, to make final payments of principal and interest on the Notes in accordance with Section 3.03 hereof, and this Indenture shall be discharged subject to the provisions of Section 4.10 hereof.

(e) Notwithstanding anything to the contrary set forth in this Indenture, this Section 8.05 may not be amended in any way that would be adverse to the Servicer or that would change the repayment of the Servicer's fees or expenses without the prior written consent of the Servicer.

(f) Each of REMIC I and REMIC II shall be liquidated only in a qualified liquidation in conformance with Section 9.2 of the Trust Agreement and pursuant to the provisions of this Indenture.

Section 8.06. Repurchase Price.

(a) The Sponsor hereby makes the representations and warranties to the Issuer with respect to the Mortgage Assets contained in Section 4(a) of the Warranty Agreement as of the Closing Date or such other date specified therein. To the extent there is a breach of any such representation and warranty that materially and adversely affects the value of a Mortgage Loan or the interests of the Noteholders therein, as determined by the Sponsor in its sole discretion, the Sponsor may be required to cure or repurchase such Mortgage Loan as described below. The Sponsor's obligation to cure or repurchase the Mortgage Loans which are in breach of the Sponsor's representations or warranties will only exist with respect to such breaches for which the Sponsor discovers or receives written notice.

(b) (i) If a Realized Loss occurs with respect to any Mortgage, the Controlling Holder may, at its option, review such Mortgage Loan (each such Mortgage Loan, an "Optional Review Loan") to determine whether there has been a breach of a representation or warranty made by the Sponsor. The Controlling Holder may utilize the services of a third-party diligence firm or may perform the review itself. Any reasonable costs and expenses incurred in connection with a review by the Controlling Holder will be reimbursed to the Controlling Holder from amounts on deposit in the Payment Account, pursuant to Section 3.03 hereof, and the Controlling Holder will be indemnified and held harmless by the Issuer for any liability relating to such review.

(ii) The Controlling Holder will provide written notice to a Responsible Officer of the Indenture Trustee, the Sponsor, the Seller and the Servicer of its findings with respect to each Optional Review Loan within 120 Business Days of receipt of all requested documents from the Servicer that are in the Servicer's possession. Upon receipt of notice from the Controlling Holder of a breach of representation or warranty with respect to an Optional Review Loan, the Sponsor will have 60 Business Days to cure or repurchase such Mortgage Loan, but only if, as determined by the Sponsor in its sole discretion, the breach materially and adversely affects the value of such Mortgage Loan or the interests of the Noteholders therein. If the Sponsor is not affiliated with or the same party as the Controlling Holder and disputes the determination of the Controlling Holder that a breach of representation or warranty has occurred, the Controlling Holder on behalf of the Noteholders will commence a confidential binding arbitration proceeding to resolve the dispute. The costs of such confidential binding arbitration proceeding will be paid by the Controlling Holder, and if the arbitration proceeding is in favor of the Controlling Holder,

then the Controlling Holder will be entitled to reimbursement for such expenses from amounts on deposit in the Payment Account constituting Available Funds, prior to making any payments to the Notes on the related Payment Date, without regard to the Annual Cap.

(iii) In the event that (x) the Controlling Holder determines that, following its review of an Optional Review Loan, no breach of a representation or warranty with respect to such Mortgage Loan has occurred or (y) the Controlling Holder elects not to review an Optional Review Loan for any reason, or following a review determines that (x) no breach of representation or warranty under the Warranty Agreement with respect to such Mortgage Loan has occurred or (y) no breach of representation or warranty with respect to such Mortgage Loan has occurred that materially and adversely affects the value of such Mortgage Loan or the interests of the Noteholders therein, the holders of Notes representing not less than 25% Percentage Interest in the Notes (other than the Class XS Notes) in the aggregate may, nevertheless, notify a Responsible Officer of the Indenture Trustee in writing, in accordance with the provisions of this Indenture, of their intent to commence a separate review of the related Mortgage Loan. Because a Noteholder that is affiliated with the Sponsor, the applicable Seller, the Depositor or the Issuer is permitted to exercise any voting rights granted under this Indenture, any Notes held by such an affiliated Noteholder will be included when calculating the 25% Percentage Interest threshold required to commence a separate review. No such written notice may be provided to the Indenture Trustee until 60 Business Days have elapsed since the notice of the related Realized Loss. The Indenture Trustee, if directed by such Noteholders, will request any applicable documents identified by such Noteholders from the Sponsor, the Servicer or the Custodian in such party's possession reasonably necessary for such review. Following such separate review, if such Noteholders determine that there has been a breach of any of the representations and warranties set forth in the Warranty Agreement and such breach materially and adversely affects the value of such Mortgage Loan or the interests of the Noteholders therein, they will direct the Indenture Trustee in writing (pursuant to the terms of the Transaction Documents) to demand that the Sponsor cure or repurchase such Mortgage Loan, and the Sponsor will have 60 Business Days from the date of such demand to do so. If the Sponsor disputes the determination of such Noteholders, the Indenture Trustee, at the written direction of the Noteholders representing not less than 25% Percentage Interest in the Notes (other than the Class XS Notes) and in accordance with the requirements set forth in the Transaction Documents, will commence a confidential binding arbitration proceeding to resolve the dispute. In connection with any such confidential binding arbitration proceeding, the Indenture Trustee will pursue reimbursement for any fees, costs and expenses related to such arbitration from (x) if the arbitration decision is in favor of the Sponsor, the Issuer from amounts on deposit in the Payment Account constituting Available Funds prior to any payments to the Notes (without regard to the Annual Cap) and (y) if the arbitration decision is not in the favor of the Sponsor, the Sponsor under the terms of this Indenture and the Warranty Agreement. To the extent not reimbursed by the Sponsor, the Indenture Trustee will be reimbursed for such amount by the Issuer from amounts on deposit in the Payment Account prior to any payments to the Notes pursuant to Section 3.03 hereof, without regard to the Annual Cap.

(iv) Within ten (10) Business Days after a party has provided notice that it has elected to pursue confidential binding arbitration, each party involved in such arbitration

may submit the names of one or more proposed arbitrators to the other party in writing. If the parties have not agreed on the selection of an arbitrator within five (5) Business Days after the first such submission, then the party commencing arbitration will, within the next five (5) Business Days, notify the American Arbitration Association in New York, New York and request that it appoint a single arbitrator with experience in arbitrating disputes arising in the financial services industry. The finding of the arbitrator will be final and binding upon the parties. Judgment upon any arbitration award rendered may be entered and enforced in any court of competent jurisdiction.

(c) Upon payment of the Repurchase Price, the Administrator shall or shall direct the related Servicer to transfer the related Mortgage Asset to the Sponsor or the Sponsor's designee. The Paying Agent shall have no duty to enforce the obligation of the Sponsor to make any payment of the Repurchase Price. In the case of the Indenture Trustee giving written notice of a breach or a representation or warranty that materially and adversely affects the interests of the Noteholders, (i) such notice shall be given by the Indenture Trustee only if a Responsible Officer of the Indenture Trustee has received written notice of a breach or an alleged breach (without regard to whether such breach or alleged breach materially and adversely affects the interest of the Noteholders) and (ii) in no event shall the Indenture Trustee be required to determine the materiality of any breach or alleged breach.

(d) The Indenture Trustee shall have no obligation to enforce the obligation of the Sponsor to make any payment of the Repurchase Price, or act in connection with the enforcement of any other remedies against the Sponsor, except upon receipt of written notice, direction and indemnity from the Controlling Holder to the Controlling Holders or at the written direction of not less than 25% Percentage Interest in the Notes (other than the Class XS Notes) in the aggregate. In the absence of its receipt of such written notice, direction and indemnity, the Indenture Trustee shall have no duty to enforce any remedy or take any action against the Sponsor.

(e) Subject to Section 3.4 of the Seller Mortgage Loan Sale Agreement, to the extent a defective or missing Mortgage Loan Document that the Servicer would be expected to have prevents or Materially Delays realization against the related Mortgaged Property through foreclosure or similar loss mitigation activity, the Sponsor will have 120 days upon having actual knowledge or notice of such delay to deliver such missing document to the Custodian or cure such defect or will be required to repurchase the related Mortgage Loan at the related Repurchase Price. For the avoidance of doubt, (i) in the event of the Servicer's failure to have any document that it did not expect to need for realization against the related Mortgaged Property, the Mortgage Loan shall be treated, as of the date of discovery that the document was missing, as a defective Mortgage Loan that is not treated as a qualified mortgage for federal income tax purposes and shall be repurchased pursuant to the Seller Mortgage Loan Sale Agreement, (ii) clause (i) shall apply not only to Mortgage Loans in default but also to any Mortgage Loan, including any performing Mortgage Loan, where, because of a change of law (whether by statute, a regulation, a case, an administrative pronouncement, or otherwise), it is determined that the Servicer does not possess and would not have been expected to possess any document that is required for realization against the related Mortgaged Property, and (iii) for purposes of clauses (i) and (ii), a discovery that a document is required for realization against a Mortgaged Property need not be specific to any particular Mortgage Loan but may apply to all Mortgage Loans of a type (for this purpose including

by the location of the Mortgaged Property) where there is a change of law that would apply broadly to that type of mortgage loan.

(f) With respect to any Mortgage Loan that is not registered on the Dart System (each such Mortgage Loan, a “Non-DART Mortgage Loan”) for which a mortgage, Assignment of Security Instrument or intervening assignment is not delivered by the 60th day after the Closing Date (such Mortgage Loans, the “Missing Document Loans”) the Sponsor will repurchase or cause the repurchase of such Missing Document Loan from the Issuer at such time for the Repurchase Price; *provided, that* to the extent that the Sponsor or its designee is actively working to cure such Missing Document Loan by the 60th day following the Closing Date, the period will be extended for so long as the Sponsor needs to provide such missing document, but in no event will such extension be more than 30 additional days.

(g) Except as otherwise set forth above, notwithstanding anything to the contrary contained herein, no recourse shall be had, whether by levy or execution or otherwise, for the payment of any interest, principal or other amounts on the Notes, or for any claim based on payments due thereon, against the Sponsor, any of its partners, and any directors, officers, agents or employees of the Sponsor or any of its partners, under any rule of law, statute or constitution, or by the enforcement of any assessment or penalty, or otherwise, nor shall any of such persons be personally liable for any such amounts or claims, or liable for any defenses or judgment based thereon or with respect thereto; provided that the foregoing shall not (a) constitute a waiver of any rights of the Issuer against the Sponsor for breach of any representations or warranties or a defective or missing Mortgage Loan Document or REO Property File contained herein, or (b) be taken to prevent recourse by the purchaser to, and the enforcement of its rights against, the Notes or any issuer thereof; and provided further, shall not limit any right of the Indenture Trustee to recourse for losses that arise from a violation of applicable law with respect to the Mortgage Loans.

(h) Notwithstanding anything in this Indenture the contrary, if there is a breach of the representation set forth in Section 4(a)(xxxii) of the Warranty Agreement, the Depositor shall repurchase (or cause Sponsor to repurchase) the Mortgage Loan at the Repurchase Price as soon as possible but in no event later than the 85th day following the discovery of the breach.

Section 8.07. Optional Purchase of Delinquent Mortgage Loans. The Depositor, at its option, may purchase any Mortgage Loan that is 90 days or more delinquent under the MBA Method at the Repurchase Price (an “Optional Purchase”) by providing written notice thereof to the Servicer, the Indenture Trustee, the Paying Agent, the Owner Trustee and the Custodian. The aggregate Principal Balance of such Mortgage Loans and any REO Properties purchased by the Depositor will not exceed 10% of the aggregate Principal Balance of the Mortgage Loans and any REO Properties as of the Cut-Off Date, as determined by the Depositor.

Section 8.08. Mortgage Asset Sales.

(a) In the event that title to any Mortgaged Property is acquired in foreclosure or by deed in lieu of foreclosure, the deed or certificate of sale shall be issued in the name of the Issuer or, if the Issuer cannot hold legal title in the relevant jurisdiction as dictated by state law, local law or local court rules, then title shall, subject to the requirements of the Trust Agreement, be recorded in the name of a nominee for the Issuer identified by the Depositor, as shall be consistent with

Accepted Servicing Practices in the state where the Mortgaged Property is located for the benefit of the Issuer, as owner of the related Mortgaged Property, and the Person or Persons holding such title shall acknowledge in writing that such title is being held as nominee for the Issuer.

(b) The Depositor shall cause the Servicer, either itself or through an agent selected by the Depositor, to manage, conserve, protect and operate each REO Property (and may temporarily rent the same) in the same manner that it manages, conserves, protects and operates other foreclosed property for its own account, and in the same manner that similar property in the same locality as the REO Property is managed. The Depositor shall manage, conserve, protect and operate each REO Property in a manner which does not cause such REO Property to fail to qualify as “foreclosure property” within the meaning of Section 860G(a)(8) of the Code or result in the receipt by such REMIC of any “income from non permitted assets” within the meaning of Section 860F(a)(2)(B) of the Code or any “net income from foreclosure property” within the meaning of Section 860G(c)(2) of the Code. The Depositor shall cause each REO Property to be inspected promptly upon the acquisition of title thereto, except for properties still occupied pending eviction, and shall cause each REO Property to be inspected at least annually thereafter. The Depositor shall make or cause to be made a written report of each such inspection. Such reports shall be retained in the REO Property File and copies thereof shall be forwarded by the Depositor to the Issuer. The Depositor shall use its best efforts to dispose of the REO Property as soon as possible and shall sell such REO Property in any event within one year after title has been taken to such REO Property, unless the Depositor determines, and gives appropriate notice to the Issuer and Depositor, that a longer period is necessary for the orderly liquidation of such REO Property. If a period longer than one year is necessary to sell any REO property, (i) the Servicer shall report monthly to the Issuer as to the progress being made in selling such REO Property and (ii) if, with the written consent of the Issuer, a purchase money mortgage is taken in connection with such sale, such purchase money mortgage shall name the Servicer as mortgagee, and a separate servicing agreement between the Servicer and the Issuer shall be entered into with respect to such purchase money mortgage. Notwithstanding the foregoing, such REO Property shall be disposed of within three years or such other period as may be permitted under Section 860G(a)(8) of the Code.

ARTICLE IX

SUPPLEMENTAL INDENTURES; AMENDMENTS

Section 9.01. Supplemental Indentures Without Consent of Noteholders. (a) Without the consent of the Holders of any Notes, the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee, at any time and from time to time, may enter into one or more indentures supplemental hereto, or one or more amendments hereto, or to the Notes, in form satisfactory to the Indenture Trustee, the Registrar, the REMIC Administrator and the Paying Agent, for any of the following purposes:

(i) to correct or amplify the description of any property at any time subject to the lien of this Indenture, or better to assure, convey and confirm unto the Indenture Trustee any property subject or required to be subjected to the lien of this Indenture, or to subject to the lien of this Indenture additional property;

(ii) to evidence the succession, in compliance with the applicable provisions hereof, of another person to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes;

(iii) to add to the covenants of the Issuer, for the benefit of the Holders of the Notes, or to surrender any right or power herein conferred upon the Issuer;

(iv) to convey, transfer, assign, mortgage or pledge any property to or with the Indenture Trustee, including additional underlying Mortgage Loans or other assets;

(v) to cure any ambiguity or mistake or to correct or supplement any provision herein or in any supplemental indenture or in any amended and restated indenture that may be inconsistent with, or otherwise to conform the terms of this Indenture to, any other provision herein or in any supplemental indenture or amended and restated indenture or in any private placement memorandum created with respect to any offering of the Notes;

(vi) to prevent the Issuer or any Noteholder from being subject to withholding or other taxes, fees or assessments or to prevent an Adverse REMIC Event;

(vii) to make any other provisions with respect to matters or questions arising under this Indenture or in any supplemental indenture; provided, that such action shall not materially and adversely affect the interests of the Holders of the Notes as evidenced by an Opinion of Counsel to such effect;

(viii) to evidence and provide for the acceptance of the appointment hereunder of a successor trustee or paying agent or similar role with respect to the Notes and to add to or change any of the provisions of this Indenture as shall be necessary to facilitate the administration of the trusts hereunder by more than one trustee, pursuant to the requirements of Article VI hereof; or

(ix) to take any action that, as determined by the Depositor, is reasonably necessary to avoid a reduction by the Rating Agency in their respective then-current ratings of the Notes; provided, that such action shall not materially and adversely affect the interests of the Holders of the Notes as evidenced by an officer's certificate of the Depositor.

provided, however, that no such indenture supplement or amended and restated indenture shall be entered into unless (a) the Rating Agency Condition is satisfied and (b) the Owner Trustee, the Indenture Trustee, the Paying Agent, the REMIC Administrator and the Registrar shall have received an officer's certificate of the Depositor not at the expense of the Indenture Trustee, the Paying Agent, the REMIC Administrator or the Registrar as to the enforceability of any such indenture supplement or amended and restated indenture and to the effect that (i) such indenture supplement or amended and restated indenture is authorized or permitted hereunder and all conditions precedent thereto have been satisfied and (ii) entering into such indenture supplement or amended and restated indenture will not result in an Adverse REMIC Event, as evidenced by an opinion of counsel.

The Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent each is hereby authorized to join in the execution of any such supplemental indenture or amended and restated indenture and to make any further appropriate agreements and stipulations that may be therein contained.

(b) The Issuer, the REMIC Administrator, the Paying Agent, the Registrar and the Indenture Trustee may, also without the consent of any of the Holders of the Notes, enter into an indenture or indentures supplemental hereto or an amended and restated indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, that such action as evidenced by an Opinion of Counsel, (i) is authorized or permitted by this Indenture, (ii) shall not adversely affect in any material respect the interests of any Noteholder, (iii) will not result in an Adverse REMIC Event and (iv) such action does not materially and adversely affect the transfer restrictions with respect to the Notes set forth in Section 4.02 hereof.

Section 9.02. Supplemental Indentures With Consent of Noteholders. The Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee may, with the prior written notice to the 17g-5 Information Provider (which shall provide notice of the same to the Rating Agency in accordance with Section 7.05 herein) and the consent of Holders of not less than 66 2/3% Percentage Interest of each Class of Notes affected thereby, by Act (as defined in Section 10.03 hereof) of such Holders delivered to the Issuer and the Indenture Trustee, shall enter into an indenture or indentures supplemental hereto or an amended and restated indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes under this Indenture; provided, however, that no such supplemental indenture or amended and restated indenture shall, without the consent of the Holder of each Note materially and adversely affected thereby:

(i) change the date of payment of any installment of principal of or interest on any Note, or reduce the principal amount thereof or the interest rate thereon, change the provisions of this Indenture relating to the application of collections on, or the proceeds of the sale of, the Trust Estate and to payment of principal of or interest on a Class of Notes, or change any place of payment where, or the coin or currency in which, any Note or the interest thereon is payable, or impair the right to institute suit for the enforcement of the provisions of this Indenture requiring the application of funds available therefor, as provided in Article V, to the payment of any such amount due on the Notes on or after the Stated Final Maturity Date;

(ii) reduce the Percentage Interest for consent required for any such supplemental indenture or amended and restated indenture, or the consent of the Holders of which is required for any waiver of compliance with certain provisions of this Indenture or certain defaults hereunder and their consequences provided for in this Indenture;

(iii) reduce the Percentage Interest required to direct the Indenture Trustee to sell or liquidate the Trust Estate pursuant to Section 5.04 hereof;

(iv) modify any provision of this Section 9.02 except to increase any percentage specified herein or to provide that certain additional provisions of this Indenture or the Transaction Documents cannot be modified or waived without the consent of the Holder of each Note affected thereby;

(v) modify any of the provisions of this Indenture in such manner as to affect the calculation of the amount of any payment of interest or principal due on any Note on any Payment Date (including the calculation of any of the individual components of such calculation); or

(vi) permit the creation of any lien ranking prior to or on a parity with the lien of this Indenture with respect to any part of the Trust Estate or, except as otherwise permitted or contemplated herein, terminate the lien of this Indenture on any property at any time subject hereto or deprive the Holder of any Note of the security provided by the lien of this Indenture;

and provided, further, that such action will not, as evidenced by an Opinion of Counsel, result in an Adverse REMIC Event.

Any such action shall not adversely affect in any material respect the interest of any Holder (other than a Holder who shall consent to such supplemental indenture or amended and restated indenture) as evidenced by an Opinion of Counsel (provided by the Person requesting such supplemental indenture or amended and restated indenture) delivered to the Owner Trustee, the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent.

It shall not be necessary for any Act of Noteholders under this Section 9.02 to approve the particular form of any proposed supplemental indenture or amended and restated indenture, but it shall be sufficient if such Act shall approve the substance thereof.

After the execution by the Issuer, the Indenture Trustee, the Registrar, the REMIC Administrator and the Paying Agent of any supplemental indenture or amended and restated indenture pursuant to this Section 9.02, the Indenture Trustee shall make a notice available to the Holders of the Notes to which such supplemental indenture or amended and restated indenture relates setting forth in general terms the substance of such supplemental indenture or amended and restated indenture; provided, however, the Paying Agent shall not be required to make such notice available to the Holders of the Notes to which such supplemental indenture or amended and restated indenture relates if such Holders consented to the form and substance of such supplemental indenture or amended and restated indenture. Any failure of the Paying Agent to make such notice available, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or amended and restated indenture.

Section 9.03. Execution of Supplemental Indentures. In executing, or permitting the additional trusts created by, any supplemental indenture or amended and restated indenture permitted by this Article IX or the modification thereby of the trusts created by this Indenture or the amendment of any Transaction Document to be executed by the REMIC Administrator, the Indenture Trustee, the Registrar, the Owner Trustee, the Custodian or the Paying Agent, the REMIC Administrator, the Indenture Trustee, the Registrar, the Owner Trustee, the Custodian and

the Paying Agent, as applicable, shall be entitled to receive, and subject to Sections 6.01 and 6.02 hereof, shall be fully protected in relying upon, an Opinion of Counsel not at the expense of the Indenture Trustee, the Registrar, the REMIC Administrator, the Owner Trustee, the Custodian or the Paying Agent stating that the execution of such supplemental indenture or amended and restated indenture is authorized or permitted by this Indenture and that all conditions precedent, if any, have been met. The Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent may, but shall not be obligated to, enter into any such supplemental indenture or amended and restated indenture that affects the Indenture Trustee's, the Registrar's, the REMIC Administrator's or the Paying Agent's own rights, duties, liabilities or immunities under this Indenture or otherwise. No amendment or supplement to this Indenture that affects the rights, protections, immunities, indemnities, duties or obligations of the Owner Trustee or the Custodian shall be effective without the prior written consent of the Owner Trustee or the Custodian.

Section 9.04. Effect of Supplemental Indenture. Upon the execution of any supplemental indenture or amended and restated indenture pursuant to the provisions hereof, this Indenture shall be and shall be deemed to be modified and amended in accordance therewith with respect to the Notes affected thereby, and the respective rights, limitations of rights, obligations, duties, liabilities and immunities under this Indenture of the Indenture Trustee, the REMIC Administrator, the Registrar, the Paying Agent, the Issuer and the Holders of the Notes shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture or amended and restated indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 9.05. Reference in Notes to Supplemental Indentures. Notes authenticated and delivered after the execution of any supplemental indenture or amended and restated indenture pursuant to this Article IX may, and if required by the Registrar shall, bear a notation in form approved by the Registrar as to any matter provided for in such supplemental indenture or amended and restated indenture. If the Issuer, the Paying Agent, the Registrar or the Indenture Trustee shall so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee, the Paying Agent, the Registrar or the Issuer, to any such supplemental indenture or amended and restated indenture may be prepared and executed by the Issuer and upon Issuer Request authenticated and delivered by the Registrar in exchange for Outstanding Notes.

ARTICLE X

MISCELLANEOUS

Section 10.01. Compliance Certificates and Opinions, etc. Upon any application or request by the Issuer to the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent to take any action under any provision of this Indenture, the Issuer shall furnish to the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent (a) an Officer's Certificate stating that all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with and (b) an Opinion of Counsel stating that in the opinion of such counsel all such conditions precedent, if any, have been complied with, except that, in the case of any such application or request as to which the furnishing of such documents is

specifically required by any provision of this Indenture, no additional certificate or opinion need be furnished.

Every certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture shall include:

(a) a statement that each signatory of such certificate or opinion has read or has caused to be read such covenant or condition and the definitions herein relating thereto;

(b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(c) a statement that, in the opinion of each such signatory, such signatory has made such examination or investigation as is necessary to enable such signatory to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(d) a statement as to whether, in the opinion of each such signatory, such condition or covenant has been complied with.

Section 10.02. Form of Documents Delivered to the Indenture Trustee, the Registrar and the Paying Agent. In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of the Issuer may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any such certificate of the Issuer or Opinion of Counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Sponsor or the Issuer, stating that the information with respect to such factual matters is in the possession of the Sponsor or the Issuer, unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Whenever in this Indenture, in connection with any application or certificate or report to the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent, it is provided that the Issuer shall deliver any document as a condition of the granting of such application, or as evidence of the Issuer's compliance with any term hereof, it is intended that the truth and accuracy, at the time of the granting of such application or at the effective date of such certificate or report (as the case may be), of the facts and opinions stated in such document shall in such case be conditions precedent to the right of the Issuer to have such application granted or to the sufficiency

of such certificate or report. The foregoing shall not, however, be construed to affect the Indenture Trustee's, the REMIC Administrator's, Registrar's or the Paying Agent's right to rely upon the truth and accuracy of any statement or opinion contained in any such document as provided in Article VI.

Section 10.03. Acts of Noteholders. (a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Noteholders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Noteholders in person or by agents duly appointed in writing; and except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Indenture Trustee, the Registrar or the Paying Agent, and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Noteholders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and (subject to Section 6.01 hereof) conclusive in favor of the Indenture Trustee, the Paying Agent and the Issuer, if made in the manner provided in this Section 10.03 hereof.

(b) The fact and date of the execution by any person of any such instrument or writing may be proved in any manner that the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent, as the case may be, deems sufficient.

(c) The ownership of Notes shall be proved by the Register.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other action by the Holder of any Notes shall bind the Holder of every Note issued upon the registration thereof or in exchange therefor or in lieu thereof, in respect of anything done, omitted or suffered to be done by the Indenture Trustee, the Paying Agent, the Registrar or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

Section 10.04. Notices etc., to Issuer, the Paying Agent, the Registrar, the Indenture Trustee and the Rating Agency. Any request, demand, authorization, direction, notice, consent, waiver or Act of Noteholders or other documents provided or permitted by this Indenture shall be in writing (and may be delivered via electronic mail) and if such request, demand, authorization, direction, notice, consent, waiver or act of Noteholders is to be made upon, given or furnished to or filed with:

(i) the Indenture Trustee by any Noteholder or by the Issuer or Paying Agent shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing and mailed first-class, postage prepaid, addressed to the Indenture Trustee at the applicable Corporate Trust Office, or such other address as may hereafter be furnished to the other parties hereto in writing. The Indenture Trustee shall make available any notice received by it from the Noteholders to the Issuer and the Paying Agent; or

(ii) the Paying Agent or the Registrar, by any Noteholder or by the Issuer or Indenture Trustee shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing and mailed first-class, postage prepaid, addressed to the Paying Agent

or the Registrar, as applicable, at the applicable Corporate Trust Office, or such other address as may hereafter be furnished to the other parties hereto in writing. The Paying Agent or the Registrar shall make available any notice received by it from the Noteholders to the Issuer and the Indenture Trustee;

(iii) the Issuer by the Indenture Trustee or by any Noteholder shall be sufficient for every purpose hereunder if made, given, furnished or filed in writing and mailed first-class, postage prepaid to the Issuer addressed to: FIGRE Trust 2025-HE1, c/o WSFS, 500 Delaware Avenue, 11th Floor, Wilmington, Delaware 19801, Attention: Corporate Trust Administration – FIGRE Trust 2025-HE1, or at any other address previously furnished in writing to the Indenture Trustee and Paying Agent by the Issuer. The Issuer shall promptly transmit any notice received by it from the Noteholders to the Indenture Trustee and the Paying Agent; or

(iv) the Rating Agency by the Indenture Trustee, the Paying Agent or the Issuer shall be sufficient for every purpose hereunder if submitted to the 17g-5 Information Provider via electronic mail at figre2025he1iny1@17g5.com, specifically with a subject reference of “FIGRE Trust 2025-HE1” and an identification of the type of information being provided in the body of such electronic mail; or any other delivery method established or approved by the 17g-5 Information Provider (and agreed to by the Issuer) if or as may be necessary or beneficial, and the 17g-5 Information Provider shall post on the 17g-5 Website and, if to DBRS, sent to 140 Broadway, 43rd Floor, New York, New York 10005, with a copy to US-RMBS-Surveillance@morningstar.com.

Section 10.05. Notices to Noteholders; Waiver. Where this Indenture provides for notice to Noteholders of any event, such notice shall be sufficiently given (unless otherwise herein expressly provided) if made, given, furnished or filed (a) in the case of Book-Entry Notes, through the electronic facilities of the Depository and posted on the Paying Agent’s Website and (b) in the case of Definitive Notes, in writing and mailed, first-class, postage prepaid to each Noteholder affected by such event, at such Person’s address as it appears on the Register, not later than the latest date, and not earlier than the earliest date, prescribed for the giving of such notice. In any case where notice to Noteholders is given by mail, neither the failure to mail such notice nor any defect in any notice so mailed to any particular Noteholder shall affect the sufficiency of such notice with respect to other Noteholders, and any notice that is mailed in the manner herein provided shall conclusively be presumed to have been duly given regardless of whether such notice is in fact actually received.

Where this Indenture provides for notice in any manner, such notice may be waived in writing by any Person entitled to receive such notice, either before or after the event, and such waiver shall be the equivalent of such notice. Waivers of notice by Noteholders shall be filed with the Indenture Trustee and the Paying Agent but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such a waiver.

In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or similar activity, it shall be impractical to mail notice of any event to Noteholders when such notice is required to be given pursuant to any provision of this Indenture, then any manner of giving such notice (including but not limited to making such notice available on the Paying Agent’s

Website) as shall be satisfactory to the Paying Agent shall be deemed to be as sufficient giving of such notice.

Section 10.06. Effect of Headings. The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

Section 10.07. Successors and Assigns. All covenants and agreements in this Indenture and the Notes by the Issuer shall bind its successors and assigns, whether so expressed or not. All agreements of the Indenture Trustee in this Indenture shall bind its successors, co-trustees and agents. All agreements of the Paying Agent in this Indenture shall bind its successors and agents. All agreements of the Registrar in this Indenture shall bind its successors and agents.

Section 10.08. Separability. In case any provision in this Indenture or in the Notes shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.09. Legal Holidays. In any case where the date on which any payment is due shall not be a Business Day, then (notwithstanding any other provision of the Notes or this Indenture) payment need not be made on such date, but may be made on the next succeeding Business Day with the same force and effect as if made on the date on which nominally due, and no interest shall accrue for the period from and after any such nominal date.

Section 10.10. GOVERNING LAW. **THIS INDENTURE AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS INDENTURE, THE RELATIONSHIP OF THE PARTIES, AND/OR THE INTERPRETATION AND ENFORCEMENT OF THE RIGHTS AND DUTIES OF THE PARTIES SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF (OTHER THAN SECTIONS 5-1401 AND 5-1402 OF THE NEW YORK GENERAL OBLIGATIONS LAW, WHICH SHALL GOVERN). THE LAWS OF THE STATE OF NEW YORK ARE APPLICABLE TO ALL ISSUES SPECIFIED IN ARTICLE 2(1) OF THE HAGUE SECURITIES CONVENTION, AND AN AMENDMENT OR MODIFICATION TO THE CHOICE OF LAW SHALL NOT BE DONE TO CHANGE THE LAW DESIGNATED AS APPLICABLE TO THE ISSUES SPECIFIED IN ARTICLE 2(1) OF THE HAGUE SECURITIES CONVENTION, WITHIN THE MEANING OF ARTICLE 4(1) THEREOF TO BE ANY LAW OTHER THAN THE LAW OF THE STATE OF NEW YORK. TO THE EXTENT THAT THE PAYMENT ACCOUNT OR ANY AGREEMENTS BETWEEN THE SECURITIES INTERMEDIARY AND THE ISSUER, ARE AT ANY TIME GOVERNED BY LAWS OTHER THAN THE LAWS OF THE STATE OF NEW YORK, THE PARTIES HERETO DO NOT CONSENT TO THE NEW GOVERNING LAW FOR THE PURPOSES OF ARTICLE 7 OF THE HAGUE SECURITIES CONVENTION.**

Section 10.11. Counterparts. This Indenture may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. The parties intend that

faxed signatures and electronically imaged signatures such as .pdf files shall constitute original signatures and be binding on the parties hereto.

Section 10.12. Recording of Indenture. If this Indenture is subject to recording in any appropriate public recording offices, such recording is to be effected by the Issuer and at its expense accompanied by an Opinion of Counsel at its expense (which may be counsel to the Issuer or the Depositor or any other counsel reasonably acceptable to the Indenture Trustee, the Registrar and the Paying Agent) to the effect that such recording is necessary either for the protection of the Noteholders or any other Person secured hereunder or for the enforcement of any right or remedy granted to the Indenture Trustee, the Registrar or the Paying Agent under this Indenture.

Section 10.13. Issuer, Indenture Trustee, Registrar and Paying Agent Obligations. No recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent set forth on the Notes or under this Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent in their respective individual capacities, (ii) any owner of a beneficial interest in the Issuer or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee, the REMIC Administrator, the Registrar, the Paying Agent, any holder of a beneficial interest in the Issuer, the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent or of any successor or assign of the Indenture Trustee, the REMIC Administrator, the Registrar or the Paying Agent in its individual capacity, except as any such Person may have expressly agreed (it being understood that the Indenture Trustee, the REMIC Administrator, the Registrar and the Paying Agent have no such obligations in their respective individual capacities) and except that any such partner, owner or beneficiary shall be fully liable, to the extent provided by applicable law, for any unpaid consideration for stock, unpaid capital contribution or failure to pay any installment or call owing to such entity.

Section 10.14. No Petition. The Indenture Trustee, the Registrar and the Paying Agent, by entering into this Indenture, and each Noteholder, by accepting a Note, hereby covenant and agree that they will not at any time prior to one year from the date of termination hereof, institute against the Issuer or join in any institution against the Issuer of, any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings, or other proceedings under any United States federal or state bankruptcy or similar law in connection with any obligations relating to the Notes, this Indenture or any of the Transaction Documents; provided, however, that nothing herein shall prohibit the Indenture Trustee from filing proofs of claim in any Proceeding.

Section 10.15. Inspection. The Issuer agrees that, at its expense, on reasonable prior notice, it shall permit any representative of the Indenture Trustee or the Paying Agent, during the Issuer's normal business hours, to examine all the books of account, records, reports and other papers of the Issuer, to make copies and extracts therefrom, to cause such books to be audited by Independent certified public accountants, and to discuss the Issuer's affairs, finances and accounts with the Issuer's officers, employees, and Independent certified public accountants, all at such reasonable times and as often as may be reasonably requested. Each of the Indenture Trustee and the Paying Agent shall hold in confidence all such information except (i) to its affiliates, controlling persons, controlling persons of any affiliates, officers, directors, employees, assignees and prospective assignees, agents, analytical service providers, counsel, accountants, subservicers, auditors,

Section 10.16. Submission to Jurisdiction; Waiver of Jury Trial. Each of the parties hereto hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or Proceeding relating to this Indenture or any documents executed and delivered in connection herewith, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of New York, the courts of the United States of America for the Southern District of New York and appellate courts from any thereof;

It is expressly understood and agreed that the rights, duties and obligations of Issuer hereunder will be exercised and performed by the Depositor in its capacity as depositor or the Administrator as Administrator of the Issuer or other agents on behalf of the Issuer as permitted by the Trust Agreement or the other Transaction Documents and under no circumstances shall the Owner Trustee have any duty or obligation to monitor, supervise, exercise or perform the rights, duties or obligations of the Issuer, the Depositor or the Administrator or such other agents of the Issuer hereunder.

Section 10.20. Multiple Capacities.

WSFS may, in such multiple capacities, discharge its separate functions fully, without hindrance or regard to conflict of interest principles, duty of loyalty principles or other breach of fiduciary duties to the extent that any such conflict or breach arises from the performance by WSFS of express duties set forth in this Indenture, the Trust Agreement, the Depositor Trust Agreement, the Custodial Agreement, and the other Transaction Documents to which it is a party in any of such capacities. To the extent not defined herein, capitalized terms used herein have the respective meanings assigned in the Indenture. This Note is issued under and is subject to the terms, provisions and conditions of the Indenture, to which Indenture the Holder of this Note by virtue of the acceptance hereof assents and by which such holder is bound.

Pursuant to the terms of the Indenture, payments on the Notes will be made on the 25th day of each month, or the immediately following Business Day if the 25th day is not a Business Day (each, a “Payment Date”), commencing in February 2025. All payments made under the Indenture on this Note will be made by the Paying Agent to the Depository and the Depository shall be responsible for crediting the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures.

The Notes are limited in right of payment to certain distributions on the Mortgage Loans and other amounts, all as more specifically set forth herein and in the Indenture. As provided in the Indenture, withdrawals from the Payment Account may be made from time to time for purposes other than, and, in certain cases, prior to, payments to Noteholders, such purposes including reimbursement of certain expenses incurred by the transaction parties.

Any payment to the Holder of this Note in reduction of the Denomination hereof is binding on such Holder and all future Holders of this Note and any Note issued upon the transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such payment is made upon this Note.

The Notes are issuable in fully registered form only without coupons in minimum denominations specified in the Indenture. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for new Notes in authorized denominations evidencing the same aggregate Denomination, as requested by the Holder surrendering the same.

No transfer, sale, pledge or other disposition of this Note or interest herein shall be made unless that transfer, sale, pledge or other disposition is exempt from the registration and/or qualification requirements of the Securities Act and any applicable state securities laws, or is otherwise made in accordance with the Securities Act and such state securities laws. If a transfer of this Note is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receive (and upon receipt, may conclusively rely upon) certain certificate(s) required pursuant to Section 4.02 of the Indenture (as to which, so long as this Note is a Book-Entry Note, the representations and agreements made therein will be deemed to have been made by the prospective transferor and/or the prospective transferee, as applicable). None of the Issuer, the Indenture Trustee, the Paying Agent, REMIC Administrator or the Registrar is obligated to register or qualify any Notes under the Securities Act or any other securities law or to take any action not otherwise required under the Indenture to permit the transfer of any Note or interest therein without registration or qualification. Any Noteholder desiring to effect a transfer of Notes or interests therein shall, and does hereby agree to, indemnify the Issuer, the Indenture Trustee, the Paying Agent and the Registrar against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Register upon surrender of this Note for registration of transfer at the applicable Corporate Trust Office of the Registrar, duly endorsed by, or accompanied by a written instrument of transfer in the form satisfactory to the Registrar and the Indenture Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes in authorized denominations evidencing the same aggregate Denomination will be issued to the designated transferee or transferees.

No service charge will be imposed for any registration of transfer or exchange of this Note, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of this Note.

The Issuer, the Indenture Trustee, the Paying Agent, the Registrar and any agent thereof may treat the Person in whose name this Note is registered as the owner hereof for all purposes, and none of the Issuer, the Indenture Trustee, the Paying Agent, the Registrar or any such agent shall be affected by notice to the contrary.

Each Noteholder, by acceptance of a Class A Note or a beneficial interest therein, as the case may be, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee, the Depositor, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent on the Notes or under the Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee, the Registrar, the REMIC Administrator the Paying

Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity except as provided in the Transaction Documents (it being understood that the Owner Trustee has no such obligation in its individual capacity), (ii) any direct or indirect holder of a beneficial ownership interest in the Issuer or the Depositor or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity, any direct or indirect holder of a beneficial ownership interest in the Issuer, the Owner Trustee, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent. For all purposes of the Indenture, (x) in the performance of any duties or obligations of the Issuer thereunder, each of the Administrator and the Owner Trustee shall be subject to, and entitled to the benefits of, the Trust Agreement, (y) in the performance of any duties or obligations of the Depositor thereunder, each of the Depositor Trustee and the Administrator shall be subject to, and entitled to the benefits of, the Depositor Trust Agreement and (z) in the performance of any duties or obligations of the Indenture Trustee, REMIC Administrator, Registrar, or Paying Agent thereunder, each of the Indenture Trustee, REMIC Administrator, Registrar, and Paying Agent shall be subject to, and entitled to the benefits of, the Indenture.

The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

Unless the certificate of authentication hereon has been executed by the Registrar, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid for any purpose.

This Note is a “regular interest” in a “real estate mortgage investment conduit,” as those terms are defined, respectively, in Sections 860G(a)(1) and 860D of the Code. Each Holder of this Note, by acceptance hereof, agrees to treat, and take no action inconsistent with the treatment of, this Note in accordance with the preceding sentence for purposes of U.S. federal income taxes, state and local income and franchise taxes and other taxes imposed on or measured by income.

The registered Holder hereof, by its acceptance hereof agrees that it will look solely to the Trust Estate (to the extent of its rights therein) for payments hereunder.

This Note shall be construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed in said State other than its conflicts of law principles except for Section 5-1401 and 1402 of the General Obligations Law, and the obligations, rights and remedies of the Holder hereof shall be determined in accordance with such laws.

PAYMENTS IN REDUCTION OF THE INITIAL NOTE AMOUNT OF THIS NOTE MAY BE MADE MONTHLY AS SET FORTH IN THE INDENTURE REFERRED TO HEREIN. ACCORDINGLY, THE OUTSTANDING NOTE AMOUNT HEREOF AT ANY TIME MAY BE LESS THAN THE AMOUNT SHOWN ABOVE.

This certifies that Cede & Co. is the registered owner (the “Holder”) of this Note which is one of the Notes (collectively, the “Notes”) issued by the Issuer referred to above pursuant to the indenture, dated February 7, 2025 (the “Indenture”), among, *inter alios*, the Issuer referred to above, THE BANK OF NEW YORK MELLON, as paying agent (the “Paying Agent”), registrar (the “Registrar”), REMIC administrator (the “REMIC Administrator”) and the Indenture Trustee referred to above, on behalf of the holders of the Notes (the “Noteholders”), and FIGURE LENDING LLC, as sponsor (the “Sponsor”), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, capitalized terms used herein have the respective meanings assigned in the Indenture. This Note is issued under and is subject to the terms, provisions and conditions of the Indenture, to which Indenture the Holder of this Note by virtue of the acceptance hereof assents and by which such holder is bound.

Pursuant to the terms of the Indenture, payments on the Notes will be made on the 25th day of each month, or the immediately following Business Day if the 25th day is not a Business Day (each, a “Payment Date”), commencing in February 2025. The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

THE HOLDER OF THIS NOTE BY ITS ACCEPTANCE HEREOF AGREES NOT TO OFFER, SELL OR OTHERWISE TRANSFER SUCH NOTE WITHIN THE UNITED STATES OR TO U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT) PRIOR TO THE EXCHANGE DATE EXCEPT PURSUANT TO AN EXEMPTION FROM THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT.

BY ACQUIRING THIS CLASS C NOTE (OR ANY INTEREST HEREIN), EACH PURCHASER AND TRANSFEREE (AND, ITS FIDUCIARY, IF APPLICABLE) WILL BE DEEMED TO REPRESENT AND WARRANT THAT EITHER (A) IT IS NOT ACQUIRING AND WILL NOT HOLD SUCH NOTE (OR INTEREST HEREIN) WITH THE ASSETS OF A PLAN (AS DEFINED BELOW) THAT IS SUBJECT TO TITLE I OF THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974, AS AMENDED (“ERISA”) OR SECTION 4975 OF THE INTERNAL REVENUE CODE OF 1986, AS AMENDED (THE “CODE”) (EACH OF THE FOREGOING, A “BENEFIT PLAN INVESTOR”) OR THAT IS SUBJECT TO A LAW THAT IS SUBSTANTIALLY SIMILAR TO TITLE I OF ERISA OR SECTION 4975 OF THE CODE (“SIMILAR LAW”)

OR (B)(1) THE NOTE IS RATED AT LEAST “BBB-” OR ITS EQUIVALENT BY A NATIONALLY RECOGNIZED STATISTICAL RATING AGENCY AT THE TIME OF ACQUISITION OR TRANSFER AND THE NOTE HAS NOT BEEN CHARACTERIZED AS OTHER THAN INDEBTEDNESS UNDER APPLICABLE LOCAL LAW AND (2) THE ACQUISITION, HOLDING AND DISPOSITION OF THE NOTE (OR INTEREST HEREIN) WILL NOT, IN THE CASE OF A BENEFIT PLAN INVESTOR, GIVE RISE TO A NON-EXEMPT PROHIBITED TRANSACTION UNDER SECTION 406 OF ERISA OR SECTION 4975 OF THE CODE OR, IN THE CASE OF A PLAN THAT IS SUBJECT TO SIMILAR LAW, RESULT IN A VIOLATION OF ANY SIMILAR LAW. FOR THESE PURPOSES, A “PLAN” MEANS AN “EMPLOYEE BENEFIT PLAN” AS DEFINED IN SECTION 3(3) OF ERISA WHETHER OR NOT SUBJECT TO TITLE I OF ERISA, A “PLAN” AS DEFINED IN SECTION 4975 OF THE CODE, OR AN ENTITY OR ACCOUNT DEEMED TO HOLD PLAN ASSETS OF THE FOREGOING BY VIRTUE OF SUCH EMPLOYEE BENEFIT PLAN’S OR PLAN’S INVESTMENT IN THE ENTITY OR ACCOUNT.

THIS NOTE REPRESENTS A NON-RECOURSE OBLIGATION OF THE ISSUER AND WILL BE PAID SOLELY FROM THE COLLATERAL SECURING THIS NOTE. NEITHER THIS NOTE NOR THE COLLATERAL IS INSURED OR GUARANTEED BY ANY GOVERNMENTAL AGENCY OR INSTRUMENTALITY OR BY ANY OTHER PERSON.

PAYMENTS IN REDUCTION OF THE INITIAL NOTE AMOUNT OF THIS NOTE MAY BE MADE MONTHLY AS SET FORTH IN THE INDENTURE REFERRED TO HEREIN. ACCORDINGLY, THE OUTSTANDING NOTE AMOUNT HEREOF AT ANY TIME MAY BE LESS THAN THE AMOUNT SHOWN ABOVE.

This certifies that Cede & Co. is the registered owner (the “Holder”) of this Note which is one of the Notes (collectively, the “Notes”) issued by the Issuer referred to above pursuant to the indenture, dated February 7, 2025 (the “Indenture”), among, *inter alios*, the Issuer referred to above, THE BANK OF NEW YORK MELLON, as paying agent (the “Paying Agent”), registrar (the “Registrar”), REMIC administrator (the “REMIC Administrator”) and the Indenture Trustee referred to above, on behalf of the holders of the Notes (the “Noteholders”), and FIGURE LENDING LLC, as sponsor (the “Sponsor”), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, capitalized terms used herein have the respective meanings assigned in the Indenture. This Note is issued under and is subject to the terms, provisions and conditions of the Indenture, to which Indenture the Holder of this Note by virtue of the acceptance hereof assents and by which such holder is bound.

Pursuant to the terms of the Indenture, payments on the Notes will be made on the 25th day of each month, or the immediately following Business Day if the 25th day is not a Business Day (each, a “Payment Date”), commencing in February 2025. All payments made under the Indenture on this Note will be made by the Paying Agent to the Depository and the Depository shall be responsible for crediting the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures.

The Notes are limited in right of payment to certain distributions on the Mortgage Loans and other amounts, all as more specifically set forth herein and in the Indenture. As provided in the Indenture, withdrawals from the Payment Account may be made from time to time for purposes other than, and, in certain cases, prior to, payments to Noteholders, such purposes including reimbursement of certain expenses incurred by the transaction parties.

Any payment to the Holder of this Note in reduction of the Denomination hereof is binding on such Holder and all future Holders of this Note and any Note issued upon the transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such payment is made upon this Note.

The Notes are issuable in fully registered form only without coupons in minimum denominations specified in the Indenture. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for new Notes in authorized denominations evidencing the same aggregate Denomination, as requested by the Holder surrendering the same.

No transfer, sale, pledge or other disposition of this Note or interest herein shall be made unless that transfer, sale, pledge or other disposition is exempt from the registration and/or qualification requirements of the Securities Act and any applicable state securities laws, or is otherwise made in accordance with the Securities Act and such state securities laws. If a transfer of this Note is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receive (and upon receipt, may conclusively rely upon) certain certificate(s) required pursuant to Section 4.02 of the Indenture (as to which, so long as this Note is a Book-Entry Note, the representations and agreements made therein will be deemed to have been made by the prospective transferor and/or the prospective transferee, as applicable). None of the Issuer, the Indenture Trustee, the Paying Agent, REMIC Administrator or the Registrar is obligated to register or qualify any Notes under the Securities Act or any other securities law or to take any action not otherwise required under the Indenture to permit the transfer of any Note or interest therein without registration or qualification. Any Noteholder desiring to effect a transfer of Notes or interests therein shall, and does hereby agree to, indemnify the Issuer, the Indenture Trustee, the Paying Agent and the Registrar against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Register upon surrender of this Note for registration of transfer at the applicable Corporate Trust Office of the Registrar, duly endorsed by, or accompanied by a written instrument of transfer in the form satisfactory to the Registrar and the Indenture Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes in authorized denominations evidencing the same aggregate Denomination will be issued to the designated transferee or transferees.

No service charge will be imposed for any registration of transfer or exchange of this Note, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of this Note.

The Issuer, the Indenture Trustee, the Paying Agent, the Registrar and any agent thereof may treat the Person in whose name this Note is registered as the owner hereof for all purposes, and none of the Issuer, the Indenture Trustee, the Paying Agent, the Registrar or any such agent shall be affected by notice to the contrary.

Each Noteholder, by acceptance of a Class C Note or a beneficial interest therein, as the case may be, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee, the Depositor, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent on the Notes or under the Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity except as provided in the Transaction Documents (it being understood that the Owner Trustee has no such obligation in its individual capacity), (ii) any direct or indirect holder of a beneficial ownership interest in the Issuer or the Depositor or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity, any direct or indirect holder of a beneficial ownership interest in the Issuer, the Owner Trustee, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent. For all purposes of the Indenture, (x) in the performance of any duties or obligations of the Issuer thereunder, each of the Administrator and the Owner Trustee shall be subject to, and entitled to the benefits of, the Trust Agreement, (y) in the performance of any duties or obligations of the Depositor thereunder, each of the Depositor Trustee and the Administrator shall be subject to, and entitled to the benefits of, the Depositor Trust Agreement and (z) in the performance of any duties or obligations of the Indenture Trustee, REMIC Administrator, Registrar, or Paying Agent thereunder, each of the Indenture Trustee, REMIC Administrator, Registrar, and Paying Agent shall be subject to, and entitled to the benefits of, the Indenture.

The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

Unless the certificate of authentication hereon has been executed by the Registrar, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid for any purpose.

This Note is a “regular interest” in a “real estate mortgage investment conduit,” as those terms are defined, respectively, in Sections 860G(a)(1) and 860D of the Code. Each Holder of this Note, by acceptance hereof, agrees to treat, and take no action inconsistent with the treatment of, this Note in accordance with the preceding sentence for purposes of U.S. federal income taxes, state and local income and franchise taxes and other taxes imposed on or measured by income.

The registered Holder hereof, by its acceptance hereof agrees that it will look solely to the Trust Estate (to the extent of its rights therein) for payments hereunder.

This Note shall be construed in accordance with the internal laws of the State of New York applicable to agreements made and to be performed in said State other than its conflicts of law principles except for Section 5-1401 and 1402 of the General Obligations Law, and the obligations, rights and remedies of the Holder hereof shall be determined in accordance with such laws.

FOR THESE

PURPOSES, A “PLAN” MEANS AN “EMPLOYEE BENEFIT PLAN” AS DEFINED IN SECTION 3(3) OF ERISA WHETHER OR NOT SUBJECT TO TITLE I OF ERISA, A “PLAN” AS DEFINED IN SECTION 4975 OF THE CODE, OR AN ENTITY OR ACCOUNT DEEMED TO HOLD PLAN ASSETS OF THE FOREGOING BY VIRTUE OF SUCH EMPLOYEE BENEFIT PLAN’S OR PLAN’S INVESTMENT IN THE ENTITY OR ACCOUNT.

THIS NOTE REPRESENTS A NON-RECOURSE OBLIGATION OF THE ISSUER AND WILL BE PAID SOLELY FROM THE COLLATERAL SECURING THIS NOTE. NEITHER THIS NOTE NOR THE COLLATERAL IS INSURED OR GUARANTEED BY ANY GOVERNMENTAL AGENCY OR INSTRUMENTALITY OR BY ANY OTHER PERSON.

PAYMENTS IN REDUCTION OF THE INITIAL NOTE AMOUNT OF THIS NOTE MAY BE MADE MONTHLY AS SET FORTH IN THE INDENTURE REFERRED TO HEREIN. ACCORDINGLY, THE OUTSTANDING NOTE AMOUNT HEREOF AT ANY TIME MAY BE LESS THAN THE AMOUNT SHOWN ABOVE.

This certifies that Cede & Co. is the registered owner (the “Holder”) of this Note which is one of the Notes (collectively, the “Notes”) issued by the Issuer referred to above pursuant to the indenture, dated February 7, 2025 (the “Indenture”), among, *inter alios*, the Issuer referred to above, THE BANK OF NEW YORK MELLON, as paying agent (the “Paying Agent”), registrar (the “Registrar”), REMIC administrator (the “REMIC Administrator”) and the Indenture Trustee referred to above, on behalf of the holders of the Notes (the “Noteholders”), and FIGURE LENDING LLC, as sponsor (the “Sponsor”), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, capitalized terms used herein have the respective meanings assigned in the Indenture. This Note is issued under and is subject to the terms, provisions and conditions of the Indenture, to which Indenture the Holder of this Note by virtue of the acceptance hereof assents and by which such holder is bound.

Pursuant to the terms of the Indenture, payments on the Notes will be made on the 25th day of each month, or the immediately following Business Day if the 25th day is not a Business Day (each, a “Payment Date”), commencing in February 2025. All payments made under the Indenture on this Note will be made by the Paying Agent to the Depository and the Depository shall be responsible for crediting the amount of such distribution to the accounts of its Depository Participants in accordance with its normal procedures.

The Notes are limited in right of payment to certain distributions on the Mortgage Loans and other amounts, all as more specifically set forth herein and in the Indenture. As provided in the Indenture, withdrawals from the Payment Account may be made from time to time for purposes other than, and, in certain cases, prior to, payments to Noteholders, such purposes including reimbursement of certain expenses incurred by the transaction parties.

Any payment to the Holder of this Note in reduction of the Denomination hereof is binding on such Holder and all future Holders of this Note and any Note issued upon the transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such payment is made upon this Note.

The Notes are issuable in fully registered form only without coupons in minimum denominations specified in the Indenture. As provided in the Indenture and subject to certain limitations therein set forth, this Note is exchangeable for new Notes in authorized denominations evidencing the same aggregate Denomination, as requested by the Holder surrendering the same.

No transfer, sale, pledge or other disposition of this Note or interest herein shall be made unless that transfer, sale, pledge or other disposition is exempt from the registration and/or qualification requirements of the Securities Act and any applicable state securities laws, or is otherwise made in accordance with the Securities Act and such state securities laws. If a transfer of this Note is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receive (and upon receipt, may conclusively rely upon) certain certificate(s) required pursuant to Section 4.02 of the Indenture (as to which, so long as this Note is a Book-Entry Note, the representations and agreements made therein will be deemed to have been made by the prospective transferor and/or the prospective transferee, as applicable). None of the Issuer, the Indenture Trustee, the Paying Agent, REMIC Administrator or the Registrar is obligated to register or qualify any Notes under the Securities Act or any other securities law or to take any action not otherwise required under the Indenture to permit the transfer of any Note or interest therein without registration or qualification. Any Noteholder desiring to effect a transfer of Notes or interests therein shall, and does hereby agree to, indemnify the Issuer, the Indenture Trustee, the Paying Agent and the Registrar against any liability that may result if the transfer is not so exempt or is not made in accordance with such federal and state laws.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Note is registrable in the Register upon surrender of this Note for registration of transfer at the applicable Corporate Trust Office of the Registrar, duly endorsed by, or accompanied by a written instrument of transfer in the form satisfactory to the Registrar and the Indenture Trustee duly executed by, the Holder hereof or his attorney duly authorized in writing, and thereupon one or more new Notes in authorized denominations evidencing the same aggregate Denomination will be issued to the designated transferee or transferees.

No service charge will be imposed for any registration of transfer or exchange of this Note, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of this Note.

The Issuer, the Indenture Trustee, the Paying Agent, the Registrar and any agent thereof may treat the Person in whose name this Note is registered as the owner hereof for all purposes, and none of the Issuer, the Indenture Trustee, the Paying Agent, the Registrar or any such agent shall be affected by notice to the contrary.

Each Noteholder, by acceptance of a Class D Note or a beneficial interest therein, as the case may be, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee, the Depositor, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent on the Notes or under the Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee, the Registrar, the REMIC Administrator the Paying

Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity except as provided in the Transaction Documents (it being understood that the Owner Trustee has no such obligation in its individual capacity), (ii) any direct or indirect holder of a beneficial ownership interest in the Issuer or the Depositor or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity, any direct or indirect holder of a beneficial ownership interest in the Issuer, the Owner Trustee, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent. The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

Unless the certificate of authentication hereon has been executed by the Registrar, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid for any purpose.

This Note is a “regular interest” in a “real estate mortgage investment conduit,” as those terms are defined, respectively, in Sections 860G(a)(1) and 860D of the Code. Each Holder of this Note, by acceptance hereof, agrees to treat, and take no action inconsistent with the treatment of, this Note in accordance with the preceding sentence for purposes of U.S. federal income taxes, state and local income and franchise taxes and other taxes imposed on or measured by income.

The registered Holder hereof, by its acceptance hereof agrees that it will look solely to the Trust Estate (to the extent of its rights therein) for payments hereunder.

No transfer, sale, pledge or other disposition of this Note or interest herein shall be made unless that transfer, sale, pledge or other disposition is exempt from the registration and/or qualification requirements of the Securities Act and any applicable state securities laws, or is otherwise made in accordance with the Securities Act and such state securities laws. If a transfer of this Note is to be made without registration under the Securities Act, and a Responsible Officer of the Registrar has actual knowledge thereof, then the Registrar shall refuse to register such transfer unless it and the Indenture Trustee receive (and upon receipt, may conclusively rely upon) certain certificate(s) required pursuant to Section 4.02 of the Indenture (as to which, so long as this Note is a Book-Entry Note, the representations and agreements made therein will be deemed to have been made by the prospective transferor and/or the prospective transferee, as applicable). No service charge will be imposed for any registration of transfer or exchange of this Note, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of this Note.

The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

Unless the certificate of authentication hereon has been executed by the Registrar, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid for any purpose.

This certifies that Cede & Co. is the registered owner (the “Holder”) of this Note which is one of the Notes (collectively, the “Notes”) issued by the Issuer referred to above pursuant to the indenture, dated February 7, 2025 (the “Indenture”), among, *inter alios*, the Issuer referred to above, THE BANK OF NEW YORK MELLON, as paying agent (the “Paying Agent”), registrar (the “Registrar”), REMIC administrator (the “REMIC Administrator”) and the Indenture Trustee referred to above, on behalf of the holders of the Notes (the “Noteholders”), and FIGURE LENDING LLC, as sponsor (the “Sponsor”), a summary of certain of the pertinent provisions of which is set forth hereafter. To the extent not defined herein, capitalized terms used herein have the respective meanings assigned in the Indenture. This Note is issued under and is subject to the terms, provisions and conditions of the Indenture, to which Indenture the Holder of this Note by virtue of the acceptance hereof assents and by which such holder is bound.

Pursuant to the terms of the Indenture, payments on the Notes will be made on the 25th day of each month, or the immediately following Business Day if the 25th day is not a Business Day (each, a “Payment Date”), commencing in February 2025. Any payment to the Holder of this Note in reduction of the Denomination hereof is binding on such Holder and all future Holders of this Note and any Note issued upon the transfer hereof or in exchange herefor or in lieu hereof whether or not notation of such payment is made upon this Note.

The Notes are issuable in fully registered form only without coupons in minimum denominations specified in the Indenture. Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

No service charge will be imposed for any registration of transfer or exchange of this Note, but the Indenture Trustee or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of this Note.

Each Noteholder, by acceptance of a Class G Note or a beneficial interest therein, as the case may be, covenants and agrees that no recourse may be taken, directly or indirectly, with respect to the obligations of the Issuer, the Owner Trustee, the Depositor, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying Agent on the Notes or under the Indenture or any certificate or other writing delivered in connection herewith or therewith, against (i) the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity except as provided in the Transaction Documents (it being understood that the Owner Trustee has no such obligation in its individual capacity), (ii) any direct or indirect holder of a beneficial ownership interest in the Issuer or the Depositor or (iii) any partner, owner, beneficiary, agent, officer, director, employee or agent of the Indenture Trustee, the Registrar, the REMIC Administrator the Paying Agent, the Administrator, the Servicer, the Sponsor, the Depositor, the Owner Trustee or the Depositor Trustee in its individual capacity, any direct or indirect holder of a beneficial ownership interest in the Issuer, the Owner Trustee, the Depositor Trustee, the Indenture Trustee, the Registrar, the REMIC Administrator or the Paying

Agent. For all purposes of the Indenture, (x) in the performance of any duties or obligations of the Issuer thereunder, each of the Administrator and the Owner Trustee shall be subject to, and entitled to the benefits of, the Trust Agreement, (y) in the performance of any duties or obligations of the Depositor thereunder, each of the Depositor Trustee and the Administrator shall be subject to, and entitled to the benefits of, the Depositor Trust Agreement and (z) in the performance of any duties or obligations of the Indenture Trustee, REMIC Administrator, Registrar, or Paying Agent thereunder, each of the Indenture Trustee, REMIC Administrator, Registrar, and Paying Agent shall be subject to, and entitled to the benefits of, the Indenture.

The Indenture will be discharged (except with respect to certain continuing rights specified in the Indenture) in accordance with the provisions therein.

Modifications of and amendments to the Indenture may be made by the Issuer, the Paying Agent, the Registrar, the REMIC Administrator and the Indenture Trustee in accordance with the provisions of the Indenture.

Unless the certificate of authentication hereon has been executed by the Registrar, by manual signature, this Note shall not be entitled to any benefit under the Indenture or be valid for any purpose.
