Notes:

1. All interest rates are floored at 0%.

The credit ratings are based on documents and data and information provided by Figure Lending LLC to Morningstar DBRS to date. Morningstar DBRS expects to receive copies of final executed documentation with respect to the above-mentioned securities.

Continuation of the credit ratings is subject to the provision to Morningstar DBRS of timely and sufficient data and/or information for the purposes of monitoring the continued performance of the above-mentioned securities.

Credit ratings do not address the market price or liquidity of a security. The credit ratings on the securities do not address statements regarding the likelihood or frequency of prepayments on the mortgage loans, allocation of any prepayment interest shortfalls, or the possibility that a holder of a security might realize a lower than anticipated yield. In addition, the credit ratings do not address the payment of any Net WAC Shortfalls or the likelihood that there may be interest shortfalls as a result of the occurrence of extraordinary trust expenses in any given month.

The Morningstar DBRS credit rating of AAA (sf) addresses the timely payment of interest and full payment of principal by the legal final maturity date in accordance with the terms and conditions of the related Notes. The Morningstar DBRS credit ratings of AA (high) (sf) and A (sf) address the ultimate payment of interest and full payment of principal by the legal final maturity date in accordance with the terms and conditions of the related Notes.
